THE COMMON COUNCIL OF THE CITY OF MUNCIE, INDIANA

ORDINANCE NO. 30-26

AN ORDINANCE ADDING CHAPTER 105 TO THE CODE OF ORDINANCES OF THE CITY OF MUNCIE, INDIANA, REGULATING LARGE GATHERINGS, SPECIAL EVENTS, AND SPONTANEOUS OR "POP-UP" EVENTS

WHEREAS, the Common Council of the City of Muncie, Indiana ("City") has authority under Indiana law to adopt ordinances for the protection of the public health, safety, peace, and welfare; and

WHEREAS, the City has experienced temporary parties, gatherings, entertainment events, and so-called "pop-up" events at commercial properties, parking lots, and other locations that have drawn large numbers of persons with little or no advance notice to the City; and

WHEREAS, such gatherings are frequently promoted through social media, electronic communications, flyers, or other means capable of generating substantial attendance within a short period of time; and

WHEREAS, some such gatherings have resulted in excessive vehicular and pedestrian congestion, unlawful parking, unreasonable noise, fighting, violence, weapons-related incidents, shootings, obstruction of emergency access, and substantial demands upon police, fire, emergency medical, and other municipal resources; and

WHEREAS, large gatherings can present significant public-safety concerns even before conduct occurring at the gathering independently constitutes a criminal offense; and

WHEREAS, traditional enforcement measures directed solely toward noise or individual unlawful conduct may be inadequate to address the public-safety risks created by large gatherings, particularly where organizers charge admission or otherwise financially benefit from the gathering; and

WHEREAS, advance notice of large gatherings permits the City to evaluate lawful occupancy, fire and emergency access, parking, traffic, security, sanitation, and other public-safety concerns before substantial numbers of persons arrive at a location; and

WHEREAS, reasonable permitting requirements applicable without regard to the content or viewpoint of a gathering are necessary to protect attendees, surrounding property owners and occupants, law enforcement officers, emergency personnel, and the general public;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF MUNCIE, INDIANA AS FOLLOWS:

SECTION 1. Chapter 105 Added

Chapter 105 of the Code of Ordinances of the City of Muncie is hereby established as follows:

CHAPTER 105 — LARGE GATHERINGS AND POP-UP EVENTS

Sec. 105.01 Purpose.

The purpose of this Chapter is to protect public health, safety, peace, and welfare by requiring reasonable advance review of temporary large gatherings; ensuring adequate occupancy, emergency access, security, parking, traffic control, and other public-safety measures; establishing responsibilities when an unanticipated gathering develops into a large gathering; and providing effective procedures for terminating unpermitted or unsafe gatherings.

This Chapter shall be administered without regard to the content, message, viewpoint, identity, or lawful associations of the persons organizing or attending a gathering.

Sec. 105.02 Definitions.

For purposes of this chapter, the following definitions shall apply:

(A) "Board" means the City of Muncie Board of Public Works and Safety.

(B) "Chief" means the Chief of the Muncie Police Department or the Chief's authorized designee.

(C) "Commercially promoted gathering" means a temporary gathering for which an organizer, promoter, or other person:

(1) Charges or collects an admission fee, cover charge, ticket price, required donation, parking charge, membership payment, or other consideration as a condition of attendance or participation;

(2) Sells tickets or admissions in advance or at the location;

(3) Receives compensation substantially dependent upon the number of persons attending; or

(4) Promotes the gathering as an entertainment event to the general public or a substantial segment thereof.

(D) "Emergency services" means police, fire, emergency medical, traffic-control, crowd-control, parking-control, sanitation, public works, or similar governmental services.

(E) "Event venue" means all real property, buildings, structures, parking areas, outdoor areas, and other premises upon or within which a gathering occurs or is intended to occur.

(F) "Gathering" means a temporary party, dance, concert, entertainment event, social event, celebration, assembly, or similar congregation of persons occurring at a particular location.

(G) "Lawful capacity" means the maximum number of persons lawfully permitted within a building, structure, premises, or portion thereof under applicable building, fire, zoning, occupancy, or other law.

(H) "Organizer" or "promoter" means any person who knowingly and substantially organizes, produces, promotes, advertises, manages, directs, finances, sponsors, sells admissions to, collects admission proceeds from, or exercises substantial operational control over a gathering. Merely attending a gathering, performing services for fixed compensation, or owning property upon which a gathering occurs, without additional participation or control, does not by itself make a person an organizer or promoter.

(I) "Person in control of property" means an owner, tenant, lessee, operator, manager, or other person possessing legal or actual authority to control the use of an event venue.

(J) "Regulated Large Gathering" means a temporary gathering occurring on public or private property within the City of Muncie that satisfies one or more of the following:

(1) One hundred (100) or more persons are reasonably anticipated to be present at any one time;

(2) Fifty (50) or more persons are reasonably anticipated to be present at any one time and the gathering is a commercially promoted gathering;

(3) The number of persons reasonably anticipated to attend will exceed or materially approach the lawful capacity of the premises under circumstances reasonably requiring advance public-safety planning;

(4) Attendance is reasonably anticipated to generate vehicle parking materially exceeding the lawful or available on-site parking serving the premises;

(5) The gathering is reasonably anticipated to materially obstruct or interfere with streets, sidewalks, neighboring properties, emergency access, or ordinary vehicular or pedestrian traffic; or

(6) The gathering is reasonably anticipated to require emergency services materially greater than those ordinarily required at the premises.

(K) "Spontaneous or Pop-Up Gathering" means a gathering that was not reasonably anticipated to constitute a Regulated Large Gathering before it commenced but that, because of actual attendance, attempted attendance, vehicular congestion, emergency-service demands, or other circumstances, satisfies the definition of a Regulated Large Gathering after commencement.

Sec. 105.03 Permit Required.

(A) Except as otherwise provided in this Chapter, no person shall knowingly organize, promote, conduct, manage, or maintain a Regulated Large Gathering unless a permit has first been issued by the Board.

(B) No person in control of property shall knowingly permit the person's property to be used for a Regulated Large Gathering unless a permit has first been issued pursuant to this Chapter.

(C) No organizer or promoter shall knowingly advertise, sell admissions to, or otherwise commercially promote a Regulated Large Gathering as authorized to occur at a location unless:

(1) A permit has been issued; or

(2) Any advertisement or solicitation occurring before issuance clearly states that the gathering is subject to required governmental approval and the organizer does not represent that governmental approval has been obtained.

(D) Issuance of a permit under this Chapter does not authorize conduct otherwise prohibited by federal, state, or local law and does not constitute zoning, building, fire, alcoholic-beverage, or other regulatory approval otherwise required by law.

Sec. 105.04 Exemptions.

A permit shall not be required under this Chapter for:

(A) Ordinary and customary activity occurring within a lawfully established permanent place of assembly, restaurant, banquet facility, theater, religious institution, school, athletic facility, meeting hall, or similar establishment when:

(1) The activity is within the ordinary and approved use of the premises;

(2) Attendance does not exceed lawful capacity;

(3) The activity does not materially expand into a parking lot or other portion of the property not lawfully approved for such assembly; and

(4) The activity is not reasonably anticipated to require extraordinary municipal services.

(B) A gathering sponsored and conducted by the City of Muncie;

(C) An event conducted by another governmental entity upon property owned or controlled by that governmental entity, provided the entity has coordinated reasonably necessary public-safety services with the City;

(D) Ordinary private residential gatherings that do not otherwise constitute a commercially promoted gathering and are not reasonably anticipated to create extraordinary demands upon municipal services; or

(E) Any gathering to the extent application of this Chapter would be prohibited by federal or state law.

Nothing in this section exempts any person from generally applicable noise, fire, building, zoning, traffic, criminal, or other laws.

Sec. 105.05 Permit Application.

(A) An application for a Regulated Large Gathering permit shall ordinarily be filed with the Board not less than fourteen (14) calendar days before the proposed gathering.

(B) The Board may consider an application filed fewer than fourteen (14) days before a proposed gathering when:

(1) The need for the gathering or the circumstances requiring late filing were not reasonably foreseeable;

(2) sufficient time remains for meaningful review by appropriate City departments; and

(3) consideration of the application will not materially impair the City's ability to protect public safety.

(C) An application shall contain, at minimum:

(1) The name, address, telephone number, and contact information of each principal organizer or promoter;

(2) The name, address, telephone number, and email address of the owner of the event venue;

(3) An affirmative statement about whether or not the owner is aware or has been advised of the event.

(4) Written authorization from the property owner or other person possessing legal authority to authorize use of the property;

(5) The proposed date, beginning time, ending time, and location;

(6) The nature and purpose of the gathering;

(7) The maximum anticipated attendance;

(8) The maximum number of admissions or tickets to be sold or distributed;

(9) Whether admission, parking, food, beverages, entertainment, or other consideration will be charged;

(10) The lawful occupancy or capacity of each building or assembly area to be used. If not known, this information must be obtained from the fire department or building commissioner and submitted with the completed application;

(11) A site plan identifying entrances, exits, emergency access, parking, gathering areas, temporary structures, stages, tents, barriers, and similar features;

(12) A parking and traffic-control plan;

(13) A security and crowd-management plan;

(14) The nature and location of amplified sound or entertainment;

(15) Whether alcoholic beverages are expected to be possessed, served, sold, or consumed;

(16) Proposed sanitation and refuse arrangements;

(17) The identity, address, and telephone number of any private security provider; and

(18) Any other information reasonably necessary for the Board to evaluate the objective criteria contained in this Chapter.

(D) Neither the Board or any other related department of the City may request information concerning the political, religious, social, ideological, or other viewpoint or message of an applicant or attendees except where particular information is independently required by law for a purpose unrelated to viewpoint.

Sec. 105.06 Departmental Review.

(A) Upon receipt of a substantially complete application, the application shall be made available as appropriate to:

(1) The Muncie Police Department;

(2) The Muncie Fire Department;

(3) The Building Commissioner;

(4) Applicable planning or zoning officials;

(5) The Department of Public Works;

(6) Ball State University Police Department; and

(7) Any other City or Delaware County department possessing responsibility materially affected by the proposed gathering.

(B) Each reviewing department may submit recommendations to the Board concerning objective health, safety, occupancy, traffic, access, security, fire, building, or similar considerations.

(C) The Chief may recommend a reasonable level of security or law-enforcement presence based upon anticipated attendance, alcohol availability, hours, venue characteristics, traffic conditions, prior experience with substantially similar events, and other objective public-safety considerations.

Sec. 105.07 Action by Board.

(A) The Board shall approve an application when it determines that:

(1) The proposed location can lawfully accommodate the anticipated attendance;

(2) Reasonably adequate emergency ingress and egress exist;

(3) Reasonably adequate parking and traffic measures exist;

(4) The proposed security and crowd-management measures are reasonably adequate;

(5) Required building, fire, zoning, and other approvals have been or can reasonably be obtained before commencement;

(6) The gathering will not create a substantial and unreasonable risk to public health or safety that cannot be mitigated through reasonable permit conditions; and

(7) The applicant is not then disqualified from receiving a permit under this Chapter.

(B) The Board may impose reasonable conditions directly related to public safety, including:

(1) Maximum attendance;

(2) Event hours;

(3) Security staffing;

(4) Traffic and parking control;

(5) Emergency-access routes;

(6) Barriers or crowd-control measures;

(7) Sanitation;

(8) Temporary structures;

(9) Fire-safety measures;

(10) Compliance with lawful occupancy limitations; and

(11) Reasonable limitations upon the location or orientation of amplified sound consistent with applicable law.

(C) Approved applications shall be made available for review as follows:

(1) Via the Municode library for the City of Muncie;

(2) The owner and/or promotor of an event shall have a copy on their person during the event and shall provide a copy upon the request of an officer, firefighter, or other city or county authority; and

(3) The owner and/or promotor shall post a copy of the approved application on any online website, social media, or other content used to promote the event.

(D) No permit shall be denied or conditioned because of the content, message, viewpoint, or lawful associations of the organizer, promoter, performers, or anticipated attendees.

(E) A denial shall state in writing the principal factual and legal grounds for denial.

(F) When a deficiency can reasonably be corrected by conditions rather than denial, reasonable conditions shall be preferred.

Sec. 105.08 Compliance With Permit.

(A) A permittee shall comply with the material terms and conditions of the permit.

(B) Attendance shall not exceed the lesser of:

(1) the attendance authorized by the permit; or

(2) the lawful capacity of the applicable premises.

(C) A material and knowing violation of a permit condition affecting public safety may constitute grounds for modification, suspension, or termination of the permit.

(D) When circumstances allow, the permittee shall first be given a reasonable opportunity to correct a violation before termination of the gathering, except where immediate action is reasonably necessary to protect persons or property.

Sec. 105.09 Unpermitted Regulated Large Gatherings.

(A) An unpermitted Regulated Large Gathering is unlawful.

(B) When a law enforcement officer has reasonable grounds to believe that a Regulated Large Gathering is occurring without the required permit, the officer may order an organizer, promoter, or person exercising control over the gathering to:

(1) Immediately cease admitting additional attendees;

(2) Immediately cease selling or collecting additional admissions;

(3) Take reasonable measures to prevent additional persons from entering the event venue;

(4) Commence the safe and orderly termination of the gathering; and

(5) Comply with reasonable directions necessary to maintain emergency access and protect persons and property during termination.

(C) An organizer, promoter, or other person exercising control over an unpermitted Regulated Large Gathering shall comply with an order issued under subsection (B).

(D) Nothing in this section requires law enforcement officers to cause an immediate mass evacuation where, in the reasonable judgment of the officer in charge, an immediate mass evacuation would create a greater threat to public safety than an orderly reduction or termination of the gathering.

Sec. 105.10 Immediate Termination and Dispersal.

(A) In addition to the authority provided in Sec. 105.09, the Chief or the ranking law enforcement officer or other public official reasonably available at the scene may order the immediate termination and orderly dispersal of a Regulated Large Gathering when one or more of the following conditions exist:

(1) Attendance exceeds lawful capacity;

(2) Required exits, entrances, fire lanes, or emergency-access routes are obstructed;

(3) Fighting, tumultuous conduct, weapons-related activity, significant property damage, or other unlawful conduct creates a substantial threat to persons or property;

(4) Pedestrian or vehicular congestion substantially obstructs a public street, alley, sidewalk, neighboring property, or emergency access;

(5) Actual attendance or attempted attendance substantially exceeds the capacity of available parking or the event venue;

(6) The gathering requires emergency services materially beyond those reasonably available under the circumstances and continuation creates a substantial public-safety risk;

(7) Conditions constitute a substantial fire, building, occupancy, or life-safety hazard;

(8) An organizer or person in control refuses or materially fails to comply with a lawful order issued under Sec. 105.09; or

(9) Other objectively demonstrable conditions create an imminent and substantial threat of physical injury or significant property damage.

(B) Any termination or dispersal under this section shall be conducted in a manner reasonably calculated to protect the safety of attendees, officers, neighboring occupants, motorists, pedestrians, and the public.

(C) Nothing in this Chapter limits any authority otherwise possessed by a law enforcement officer or any other civil authority under Indiana law.

(D) Any person attending or presenting at a Regulated Large Gathering who knowingly or intentionally refuses to comply with a lawful order to disperse issued pursuant to this section shall be in violation of this Chapter, provided that:

(1) The order to disperse was issued based upon one or more of the conditions specifically identified in Section 105.10(A);

(2) The order was communicated in a manner reasonably calculated to provide actual notice to persons affected by the order;

(3) The person knew of the order or was personally advised of the order by a law enforcement officer or other public official;

(4) The person was afforded a reasonable opportunity to comply, considering the circumstances and any immediate threat to public safety; and

(5) The person had a reasonably safe and available means of leaving the area.

Sec. 105.11 Spontaneous or Pop-Up Gatherings.

(A) When a gathering that did not reasonably appear beforehand to require a permit develops into a Spontaneous or Pop-Up Gathering, every organizer or promoter with actual knowledge of the circumstances shall take reasonable and continuous measures to:

(1) Cease additional admissions when necessary to avoid exceeding lawful capacity;

(2) Prevent the sale of additional admissions when continued attendance would aggravate the circumstances causing the gathering to become regulated;

(3) Reduce attendance to lawful capacity;

(4) Preserve emergency ingress and egress;

(5) Address unlawful or unsafe overflow parking or traffic congestion within the organizer's reasonable control;

(6) Reduce or discontinue activities materially encouraging additional attendance when directed by law enforcement; and

(7) Safely terminate the gathering when ordered pursuant to this Chapter.

(B) In determining whether a gathering has developed into a Spontaneous or Pop-Up Gathering, officers may consider the totality of objectively observable circumstances, including:

(1) Actual attendance;

(2) Persons waiting or attempting to enter;

(3) Lawful venue capacity;

(4) Tickets sold or admissions collected;

(5) The number of vehicles present or attempting to park;

(6) Unlawful or overflow parking;

(7) Traffic and pedestrian congestion;

(8) The extent of public or social-media promotion;

(9) The number and nature of calls for police, fire, or emergency medical service;

(10) The actual capacity of city or county public safety services to respond to an emergency given other ongoing emergency, staffing, or events; and

(11) Prior attendance at substantially similar events promoted by the same organizer.

(C) A person shall not be liable for failing to obtain an advance permit for a Spontaneous or Pop-Up Gathering if the person establishes that the circumstances causing the gathering to become regulated were not reasonably foreseeable before the gathering began, provided that the person thereafter complies with this section and all lawful orders issued pursuant to this Chapter.

(D) Continued admission, promotion, entertainment, or collection of admission proceeds after the organizer knows that the gathering has become a Regulated Large Gathering may be considered evidence that the gathering is being knowingly maintained in violation of this Chapter.

Sec. 105.12 Property Owners and Persons in Control.

(A) No owner or other person in control of property shall knowingly authorize or permit an unpermitted Regulated Large Gathering.

(B) Ownership of property, standing alone, is insufficient to establish a violation of this Chapter.

(C) A property owner shall not be liable under this Chapter when:

(1) The owner did not know and reasonably could not have known that the property would be used for a Regulated Large Gathering; and

(2) Upon acquiring actual knowledge, the owner promptly takes reasonable steps within the owner's lawful authority to terminate or withdraw authorization for the gathering and reasonably cooperates with law enforcement.

(D) A lease, rental agreement, or representation by another person that an event will be smaller or materially different from the event actually conducted may be considered in determining the owner's knowledge and responsibility.

Sec. 105.13 Responsible Organizers and Promoters.

(A) Liability under this Chapter may be imposed upon each organizer or promoter who knowingly participates in conduct prohibited by this Chapter.

(B) Relevant evidence of organizer or promoter status may include:

(1) Creating or purchasing advertising;

(2) Administering an event social-media account;

(3) Directing ticket sales;

(4) Receiving admission proceeds;

(5) Renting the venue;

(6) Contracting for entertainment, security, or event services;

(7) Directing personnel or attendees;

(8) Representing oneself publicly as a host, promoter, sponsor, or organizer; or

(9) Exercising operational authority over the gathering.

(C) A person shall not be deemed an organizer or promoter solely because the person:

(1) Attends the gathering;

(2) Performs music or entertainment for fixed compensation without exercising operational control;

(3) Provides food, transportation, security, or other contracted services without exercising operational control; or

(4) Owns the premises without the knowledge or participation required by Sec. 105.12.

Sec. 105.14 Restricted Event Property.

(A) A property may be designated a Restricted Event Property when two (2) or more separate enforcement actions involving unpermitted Regulated Large Gatherings occur at the property within a twelve-month period.

(B) For purposes of this section, an enforcement action means an incident in which:

(1) Police substantiate that an unpermitted Regulated Large Gathering occurred; and

(2) The gathering resulted in issuance of a citation under this Chapter, an order of termination under Sec. 105.09 or Sec. 105.10, or other documented enforcement action.

(C) After the first qualifying enforcement action, the City shall provide written notice to the record property owner that an additional qualifying enforcement action within twelve months may result in designation as a Restricted Event Property.

(D) Before final designation, the property owner shall receive written notice and an opportunity to appear before the Board.

(E) A designation shall remain effective for twelve (12) months unless earlier removed by the Board.

(F) While the designation is effective, no Regulated Large Gathering may occur upon the property.

(G) The Board may remove the designation upon a showing that reasonable measures have been implemented that materially reduce the likelihood of further violations.

Sec. 105.15 Organizer or Promoter Disqualification.

(A) After notice and an opportunity to be heard, the Board may disqualify an organizer or promoter from receiving a permit under this Chapter for a period not exceeding twelve (12) months if:

(1) The person has been cited as responsible for two or more separate violations of this Chapter within twelve months;

(2) The person knowingly made a materially false statement in a permit application concerning attendance, property authorization, security, occupancy, or other material public-safety information; or

(3) The person knowingly continued an unpermitted gathering after receiving a lawful termination order under this Chapter and such violation has been finally adjudicated.

(B) Any period of disqualification shall be reasonably related to the nature and circumstances of the violations.

Sec. 105.16 Penalties.

(A) A person who violates this Chapter, other than Section 105.10(D), shall be subject to a civil fine not exceeding Two Thousand Five Hundred Dollars ($2,500.00) for a first violation.

(B) A person who commits a second or subsequent violation shall be subject to a civil fine not exceeding Seven Thousand Five Hundred Dollars ($7,500.00), or to the extent authorized by Indiana law.

(C) For a person who violates Section 105.10(D), the person shall be subject to a civil fine not exceeding Five Hundred Dollars ($500.00) for a first violation and a civil fine not exceeding One Thousand Dollars ($1,000.00) for a second or subsequent violation, subject to the limitations imposed by Indiana law.

(D) Each separate gathering conducted in violation of this Chapter constitutes a separate violation.

(E) Knowingly continuing to organize or maintain a gathering after a lawful order requiring its termination may constitute a separate violation from the initial failure to obtain a permit, subject at all times to applicable limitations imposed by Indiana law.

(F) In determining an appropriate penalty, the court shall consider:

(1) Actual and anticipated attendance;

(2) Whether admission fees or other proceeds were collected;

(3) The degree of knowing or intentional conduct;

(4) Whether the violator complied with police directions;

(5) Actual demands placed upon City emergency services;

(6) Whether violence, substantial disorder, or significant property damage occurred;

(7) Prior violations; and

(8) Reasonable efforts undertaken by the violator to prevent or mitigate the violation.

(G) Nothing in this Chapter creates or authorizes a sentence of imprisonment for a violation of this Chapter.

(H) Nothing in this Chapter limits arrest, prosecution, or other enforcement authorized by Indiana law for conduct constituting an independent criminal offense.

Sec. 105.17 Other Remedies.

(A) The remedies contained in this Chapter are cumulative to the extent permitted by law.

(B) The City may seek temporary, preliminary, or permanent injunctive relief or other lawful relief to prevent an actual or threatened violation of this Chapter.

(C) Enforcement of this Chapter does not preclude enforcement of applicable zoning, building, fire, occupancy, noise, traffic, alcoholic-beverage, nuisance, or criminal laws.

(D) Nothing in this Chapter shall be interpreted as creating a municipal penalty for conduct solely because that conduct separately constitutes a crime or infraction under Indiana law.

Sec. 105.18 Administrative Rules and Forms.

The Board may adopt reasonable forms, administrative procedures, and rules necessary to implement this Chapter, provided such rules are consistent with this Chapter and applicable law. Permit fees, if any, shall be established by ordinance or other lawful fee schedule.

Sec. 105.19 Construction.

(A) This Chapter shall be construed as a content-neutral public-health and public-safety regulation.

(B) No provision shall be interpreted to authorize City officials to regulate protected speech or assembly based upon content or viewpoint.

(C) Nothing in this Chapter shall be interpreted to enlarge or diminish a police officer's authority to arrest a person under Indiana criminal law.

Sec. 105.20 Severability.

If any provision, sentence, clause, phrase, or application of this Chapter is held invalid or unconstitutional, such invalidity shall not affect the remaining provisions or applications, which can be given effect without the invalid provision or application, and to this end the provisions of this Chapter are severable.

Sec. 105.21 Venue.

The Muncie City Court shall be the court of proper venue and jurisdiction for enforcement of civil ordinance violations under this Chapter to the extent provided by law.

SECTION 2. Conflict With Existing Ordinances.

All ordinances or portions thereof inconsistent with this Ordinance are repealed only to the extent of such inconsistency.

SECTION 3. Effective Date.

This Ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law.
