**REGULAR MEETING
FLOYD COUNTY BOARD OF COMMISSIONERS
JUNE 8, 1999 2:00 P.M.**

PRESENT: Chairman Kim Canada, Commissioners Chuck Hufstetler, Garry Fricks, John Mayes and Jerry Jennings.

OTHERS

PRESENT: County Manager Kevin Poe, County Attorney Wade Hoyt, County Clerk Sue Broome, and Assistant County Manager Tom Tully.

CALL TO ORDER: Chairman Canada called the meeting to order.

INVOCATION: Commissioner Hufstetler led the Invocation.

PLEDGE OF

ALLEGIANCE: The Pledge of Allegiance was led by Commissioner Fricks.

PUBLIC PARTICIPATION:

William R. Causey, Brunswick, Georgia, stated his family owns a 200 acre farm in Floyd County. He presented information regarding problems arising from the affect of commercial construction on Veterans Memorial Highway in the City of Rome, which site adjoins his property. He stated that when efforts to get the problems stopped failed, they filed suit which also involved the City of Rome. Settlement has since been reached with the City of Rome. During the time of litigation city attorneys directed the joint Rome/Floyd County Erosion and Sediment Control inspector to go onto their farm looking for evidence, without their permission. Mr. Causey stated that his family was singled out by the City due to the civil suit, and the City used the Rome/Floyd County Erosion and Sediment Control. He noted that debris which was found was cleaned up by his family when they were aware of the problem and they notified E.P.D. that it had been cleaned up. It is his family's opinion that this action was not only unethical, but the inspector was guilty of criminal trespass. He requested that the Board of Commissioners look into the Rome/Floyd County Erosion and Sediment Control inspection office and take the necessary actions to see that this does not happen to another county resident. Chairman Canada noted they had received the information from Mr. Causey.
