Petal, MS 39465

RE: Property located at 414 McInnis Street, Petal, Mississippi

DILAPIDATED STRUCTRE

PLEASE TAKE NOTICE PURSUANT TO §21-19-11 of the Mississippi Code of 1972, as annotated and amended, that the Mayor and Board of Aldermen of the City of Petal will hold a public hearing at 5:30 p.m. on **Tuesday, August 1<sup>st</sup>, 2017** in the Board Room of City Hall in Petal, Mississippi, to determine whether or not the herein-after-described property is in such a state of dis-repair and uncleanliness as to be a menace to the public health, safety and welfare of the community. You have the right to file an answer and to appear at said hearing in person or otherwise and to offer your defense, if any. If, at such hearing, the Mayor and Board of Aldermen shall adjudicate the property in its then condition to be a menace to the public health, safety and welfare of the community, the City of Petal shall, if the owner will not do so himself, proceed to clean the land, by use of municipal employees pursuant to the aforesaid statute. The City of Petal may by resolution adjudicate the actual cost of cleaning the property and may also impose a penalty not to exceed \$1,500 or 50% of the actual cost, whichever is more. The cost to clean the property and any penalty may become an assessment against the property, which shall be a lien against said property and may be enrolled in the office of the circuit clerk of the county as other judgments are enrolled, and the tax collector of the City of Petal shall, upon order of the Mayor & Board of Aldermen, proceed to sell the land to satisfy the lien as now provided by law for the sale of lands for delinquent municipal taxes. The property owner should also be informed that an adjudication at the hearing that the property or parcel of land is in need of cleaning will authorize the municipality to reenter the property or parcel of land for a period of one (1) year after the hearing without any further hearing if notice is posted on the property or parcel of land and at city hall or another place in the municipality where such notices are generally posted at least seven (7) days before the property or parcel of land is reentered for cleaning. The subject property is described as follows:
