WHEREAS, Mayor Byrd stated to the Board of Aldermen that the aforesaid bids should be taken under advisement. Mayor Byrd thereupon appointed Alderman Charles A. Sumrall, and Alderman W. H. Clearman as the committee to take these bids for recapulation and to decide which bids meets specifications and are the lowest and best bid.

WHEREAS, Mr. Ed Walker stated to the Mayor and Board of Aldermen that he was representing a large group of people who are in deep concern of the intersection of

Highway 42 and Hillcrest Loop. Mr. Walker stated that within the past six years there has been 10-12 serious car accidents. Mr. Walker said that the problem seems to be that there is a dip east of the David Cox home on Highway 42 which causes poor visibility of oncoming vehicles at the intersection of Highway 42 and Hillcrest Loop. Mayor Byrd asked Mr. Walker if the new stop sign had helped. Mr. Walker stated that it had helped some for the drivers on Hillcrest Loop, but very little for the drivers on Highway 42. Mayor Byrd asked if most accidents happened during the day or night. Mr. Walker stated that since Hillcrest Loop is being used as an arterial road for the people in Beverly Hills subdivision and the people in the surrounding area that the accidents happen both night and day. Mayor Byrd asked Mr. Walker that if the roadbed was leveled out at the dip would that help the drivers any. Mr. Walker stated that the most effective way to stop these accidents would be to place a traffic signal at this intersection. After a lengthy discussion, Mayor Byrd stated to the Board of Aldermen and Mr. Walker that he would get in contact with the Highway Department tomorrow, and see what could be done about the dip.
