WHEREAS, Mr. Tyner stated that the gentleman from Southern Appraisers would be down next week and wanted to meet with Mr. Tyner to talk about the re-assessment program of the County, City of Petal, and the Separate School District. Mr. Tyner stated that he felt that the County should enter into a contract with Southern Appraisers and the City enter into an intergovernmental contract thereby reimbursing the County. Mr. Tyner stated that he had also written Mr. Traunicht, the bond attorney for the East Forrest Utility District, on September 10, 1976, and wrote him again yesterday, November 1, 1976, on the same subject. Mr. Tyner stated that he felt that he would have to call HUD and talk to them personally if he does not hear from Mr. Traunicht within this week.

WHEREAS, Mayor Byrd stated that at the last council meeting, Patrolman Lanny Robinson brought a traffic control plan before the Board for their consideration. Mayor Byrd stated that he had gone to the school and talked with Mike Walters, while Patrolman Robinson met with Vince Howard, with Hensley-Schmidt, Inc. Mr. Howard went back over Patrolman Robinson's plan and checked into the program. Mr. Walters will get the school officials to meet along with Mr. Howard concerning Main St. and Forrest Avenue, and the making of an outlet from the high school parking lot onto Forrest Avenue.

Mayor Byrd stated that the Chamber of Commerce met the following day and asked who would represent the City at their luncheon.
