MINUTES — Petal, Mississippi

The Mayor and Board of Aldermen again took up for consideration the matter of issuing additional bonds in the amount of One Million, One Hundred Thousand Dollars (\$1,100,000) to provide funds for the purpose of improving, repairing and extending the Combined Waterworks System of the City of Petal. Following a discussion of the matter Alderman Boutwell offered and moved the adoption of the following resolution:

RESOLUTION AMENDING THAT CERTAIN BOND RESOLUTION HERETOFORE ADOPTED ON THE 15TH DAY OF AUGUST, 1962 IN ORDER TO PERMIT THE ISSUANCE OF ADDITIONAL BONDS FOR THE PURPOSE OF IMPROVING, REPAIRING AND EXTENDING THE COMBINED WATERWORKS AND SEWER SYSTEM OF THE CITY OF PETAL.

WHEREAS, heretofore to wit on the 15th day of August, 1962 the Board of Commissioners of the East Forrest Utility District of East Forrest, Mississippi did adopt a certain resolution entitled: "A RESOLUTION AUTHORIZING AND DIRECTING THE ISSUANCE OF NEGOTIABLE INTEREST-BEARING WATERWORKS AND SEWER REVENUE BONDS OF THE EAST FORREST UTILITY DISTRICT OF FORREST COUNTY, MISSISSIPPI, IN THE PRINCIPAL AMOUNT OF ONE MILLION, TWO HUNDRED TWENTY THOUSAND DOLLARS (\$1,220,000); PRESCRIBING THE FORM AND INCIDENTS OF SAID BONDS; PROVIDING FOR THE COLLECTION, SEGREGATION AND DISTRIBUTION OF THE REVENUES TO BE DERIVED FROM THE OPERATION OF THE WATERWORKS AND SEWER SYSTEM OF SAID DISTRICT IN AMOUNTS SUFFICIENT TO PAY THE PRINCIPAL OF AND INTEREST ON SAID BONDS; AND MAKING PROVISION FOR OTHER FUNDS IN RELATION TO THE OPERATION AND MAINTENANCE OF SAID WATERWORKS AND SEWER SYSTEM," and

WHEREAS, the bonds described in the aforesaid resolution were duly prepared, executed, sold and issued and became the outstanding obligations of the East Forrest Utility District, and

WHEREAS, the City of Petal was thereafter created and did thereafter acquire the said Combined Waterworks and Sewer System of the aforesaid District and did assume payment of all the outstanding bonds issued by the District in connection with the acquisition of said System, and

WHEREAS, the City of Petal now finds it to be necessary and in the public interest to improve, repair and extend the said Combined Waterworks and Sewer System and to provide financing therefor through the issuance of additional bonds, and

WHEREAS, in order to accomplish the issuance of such additional bonds it is necessary that the provisions of Section 9 (d) of the said resolution be

WHEREAS, Mayor Smith requested the wishes of the Board concerning the garbage ordinance.

THEREUPON, Alderman Boutwell made a motion to adopt the following ordinance to be effective November 1, 1979, authorizing the City Clerk to publish this ordinance one time. Alderman Russell seconded the motion. The ordinance read as follows, to-wit:

ORDINANCE 1979 (44)

AN ORDINANCE PROVIDING FOR AND ESTABLISHING
RULES AND REGULATIONS FOR THE COLLECTION
AND DISPOSAL OF GARBAGE AND OTHER WASTE; CREATING
THE OFFICE OF DIRECTOR; PROVIDING FOR THE ADOPTION
OF CERTAIN RULES AND REGULATIONS CONCERNING
THE COLLECTION OF GARBAGE AND OTHER WASTE; PRO-
VIDING FOR SPECIAL COLLECTION SERVICES; PROHIBITING LITTER
AND FOR RELATED PURPOSES

Section 1-1. DEFINITIONS.

For the purposes of this article, the following words and phrases shall have the meanings herein and words used in the present tense shall include the future tense and in the singular shall include the plural and the plural shall include the singular and masculine shall include the feminine gender;

Person. The word "person" shall mean every natural person, firm, partnership, association or corporation.

Director shall mean the director, sanitation services division, and/or director, public works division, whichever is appropriate.

Garbage shall include every accumulation of both animal and vegetable matter, liquid or otherwise, that attends the preparation, use, cooking, dealing in or storage of meat, fish, fowl, fruit or vegetables, tin cans or other containers originally used for food stuffs.

Rubbish includes all non-putrescible solid waste consisting of both combustible and non-combustible waste such as paper, cardboard, glass, crockery, excelsior, cloth and similar materials. It shall not include bulky refuse meaning stoves, refrigerators, water tanks, washing machines, broken furniture or similar bulky materials having a weight greater than seventy-five (75) pounds and volume greater than thirty-five (35) gallons.

Public place shall include parks, docks, wharves,

Industrial waste shall mean all such wastes peculiar to industrial, manufacturing or processing plants and shall include hazardous refuse.

Hazardous refuse means any chemical, compound, mixture, substance or article which may constitute a hazard to health or may cause damage to property by reason of being explosive, flammable, poisonous, corrosive, unstable, irritating, radioactive or otherwise harmful.

Section 1-2. EXCLUSIVE COLLECTION.

It shall be unlawful for any person other than the City of Petal to engage in the business of collecting, removing, and disposing of garbage and rubbish in the City of Petal except those private collectors specifically authorized by permit.

Section 1-3. JURISDICTION OF DIRECTOR.

The removal of garbage, rubbish and industrial waste from premises in the city shall be under the jurisdiction of the director, sanitation services division. Final disposition of garbage, rubbish and industrial waste shall be under the jurisdiction of said director.

Section 1-4. RULES AND REGULATIONS TO IMPLEMENT ARTICLES.

The appropriate director, subject to the approval of the Mayor, may make such rules and regulations as are not inconsistent with the provisions of this article as may be necessary or desirable to aid in the administration of and obtaining compliance with the provisions of this Ordinance.

Section 1-5. COLLECTION AND DISPOSAL OF INDUSTRIAL WASTE, PATHOGENIC AND RADIOACTIVE WASTE AND SALVAGEABLE MATERIALS FOR RECLAMATION.

(a) Industrial and hazardous waste. All industrial and hazardous waste shall be disposed of by the industry, manufacturer or processing plant generating such waste under such methods and conditions as shall be approved by the director. Such industries may apply for a special permit as a private collector or may dispose of industrial waste by licensed private collectors. Garbage and rubbish not consisting of industrial waste and hazardous refuse may be collected by the city and charges made therefor in accordance

MINUTES — Petal, Mississippi

with the fee set forth herein, provided, however, that if the person in disposing of his industrial and hazardous waste also desires to dispose of his garbage and rubbish generated on his premises, the city shall allow him to do so as a special private collector for his own premises or through licensed private collectors if he desires.

(b) Pathogenic and radioactive waste. All pathogenic and radioactive waste shall be disposed of by the hospital or institution generating such waste under such conditions as shall be approved by the health department. If the health department approves the treatment of such waste so that it may be disposed of by collections from the city, or if the hospital is eligible due to classification by volume, then said waste may be disposed of by the hospital as a special private collector or through licensed private collectors. Garbage and rubbish not consisting of pathogenic and radioactive waste may be collected by the city and charges made therefor in accordance with the fee set forth herein. Provided, however, that if the person disposing of his pathogenic or radioactive waste also desires to dispose of his garbage and rubbish generated on the premises, the city shall allow him to do so by granting a special permit to the hospital or institution if so classified by volume for itself as a special private collector or through use of a licensed private collector.

All pathological waste from physicians' clinics, dental clinics, blood banks and medical laboratories, shall be separate from normal waste, placed in durable disposable bags that be tied and sealed when full. The bags shall be stored in metal containers with tightfitting lids while in the process of being filled. Containers shall be kept in places restricted from access by the public. Needles shall be separated from disposable syringes by breaking them off at the hub immediately after use. Fluids may be flushed down the commode. These materials shall only be placed at the collection point on the day they are to be collected. Storage, collection and disposal of pathological waste shall

be in accordance with regulations of the Forrest County Health Department.

(c) Salvageable materials for reclamation. Persons engaged in collection or purchasing for resale paper, cardboard, rags and scrap metals, for reclamation purposes shall be exempted from the provisions of this article except insofar as regulations of the health department and the sanitation services division apply to maintaining standards of health and cleanliness, preventing nuisances, preventing interference with refuse containers and preventing littering.

Section 1-6. CONTAINER PROVIDED.

(a) Duty to have containers. It shall be the duty of every person in possession, charge or control of any premises where garbage is created or accumulated and in the case of multiple dwellings or multiple occupancy, the owner of the premises, at all times keep or cause to be kept a sufficient number of containers for the deposit of garbage generated on the premises.

(b) Container requirements. Lids or covers of such containers shall be kept tightly closed at all times other than when garbage is being deposited therein or removed therefrom. Containers used for the deposit of garbage for collection by the city shall be in good condition so that collection thereof shall not injure the person collecting the contents. Containers having ragged or sharp edges or other defects must be promptly replaced. Individual (can type) containers provided shall not be larger than twenty-five (25) inches in diameter and thirty (30) inches in height nor smaller than fourteen (14) inches in diameter and sixteen (16) inches in height (commonly known as thirty (30) gallon and twenty gallon containers). All individual (can type) containers shall be made of galvanized or plastic material and shall be kept watertight at all times. Sufficient additional containers shall be provided within the premises for receiving and holding without leakage and spillage all ashes, rubbish and waste matter other than garbage except as set forth in Section 1-9.

(c) Fifty-five gallon drums prohibited. Fifty-five (55)

MINUTES — Petal, Mississippi

gallon drums are specifically prohibited from use as containers for garbage or other refuse. It shall be the duty of both the person in possession, charge or control of any premises as well as the owner of the premises to comply with the provisions of this subsection regarding the cleanliness of the premises and keeping containers properly closed.

Section 1-7. SAFE PREMISES FOR COLLECTION: LOCATION OF CONTAINERS.

Containers for garbage and refuse to be collected shall be placed at convenient and accessible points in the yard within five (5) feet of a street. Containers shall be placed where collectors may pick up and empty same without attack from animals. The director may by regulations provide for the location of containers. City garbage collectors shall not enter houses or stores for the collection of garbage or rubbish nor shall they accept any money or valuable gifts for their service from persons served.

Garbage and refuse shall not be stored in close proximity to other personal effects which are not desired to be collected but shall be reasonably separated in order that the collectors can clearly distinguish between what is to be collected and what is not.

Section 1-8. GARBAGE WRAPPED; MIXING WITH ASHES, RUBBISH.

Garbage and other liquid substances shall not be kept in the same container with ashes or rubbish. All garbage shall be kept in a separate container conforming to the requirements of this article and shall be drained and separately wrapped before being placed in the container.

Section 1-9. LEAVES, GRASS, TRIMMINGS, TREES AND PAPER.

Leaves, grass cuttings and garden trimmings, weeds and roots from which all dirt has been removed shall be deposited in disposable containers adjacent to the front property line. The director of sanitation services may grant waivers of this section in cases of hardship. Disposable containers for such rubbish shall be plastic bags or moisture resistant paper bags and such containers shall have tops, ties or other means of preventing spillage, scattering or blowing away of the rubbish and be moisture proof or kept dry and be of sufficient

strength to contain the refuse without spillage during handling. They shall not exceed in size the approximate capacity of a thirty (30) gallon regulation garbage container which is considered the maximum size for manual lifting by a collector.

Magazines and newspapers shall be bundled and securely tied.

Shrub and tree trimmings shall be neatly piled adjacent to the front property line immediately behind the sidewalk where sidewalks are installed.

Shrubs and tree trimmings shall be separate from other refuse, such as leaves and grass trimmings.

Section 1-10. SERVICE FEE FOR COLLECTION, DISPOSAL.

The following monthly fees are established for the collection, removal or disposal of garbage and rubbish.:

No charge for collections not exceeding two per week. For additional collections, refer to Sec. 1-12. All additional collections, other than two (2) days per week shall be considered special collection services.

Section 1-11. CLASSIFICATION OF COMMERCIAL BUSINESSES FOR COLLECTION SERVICES.

The director shall cause each commercial establishment to be placed in the particular group based upon the average collections per week. The director from time to time may change the classifications of a commercial establishment from one group to another. The decision of the director shall be final, subject to the right to appeal to the Mayor and Board of Aldermen.

Section 1-12. SPECIAL COLLECTION SERVICES.

The director may provide for the collection and removal of garbage and rubbish from any place or premises at times in addition to those when regular collection service is provided or in a manner different from the prescribed method of collection. In the event the director establishes such special service, the method of special service and the fee therefor shall be submitted to the Mayor and Board of Aldermen for approval by appropriate resolution.

In the event the director establishes such special service, the director shall have authority to charge the users of such special services a charge based on the division of sani-

tation services best estimate of their actual cost providing such service, including labor and equipment used.

Section 1-13. NURSERYMEN; DUTY TO REMOVE TRASH.

Every nurseryman or other person who cuts trees or trims shrubs or grass as an independent contractor and not as an employee of the occupant of the premises, shall remove or cause to be removed all such trash from the premises serviced by him.

Section 1-14. BUILDING DEBRIS, RESPONSIBILITY FOR REMOVAL.

Building debris such as scrap lumber, plaster, roofing, concrete, brickbats, and sanding dust resulting from the construction, repair remodeling or demolition of any building or appurtenances on private property will not be removed by the sanitation services division and the owner must cause such materials and waste to be privately moved.

Section 1-15. NUISANCES PROHIBITED, COMPLIANCE WITH ARTICLE REQUIRED.

It shall be unlawful for any person in possession, charge of or control of any premises to keep, cause to be kept, or allow the keeping on any premises within the corporate limits of the City of Petal of garbage or rubbish in such manner that it will become offensive or deleterious to health or likely to cause disease and the same is hereby declared a public nuisance. The health department, police department and supervisory employees of the sanitation services division are hereby authorized to inspect any premises in the City of Petal and its police jurisdiction for the purpose of seeing that the requirements of this article are being complied with.

Section 1-16. INTERFERENCE WITH CONTAINERS.

(a) No person other than the owner or person lawfully in control of any premises, or any authorized employee of the city or an authorized employee of a person licensed by the city for the collection or removal of garbage or rubbish, shall interfere in any manner with a container used for the accumulation or handling of garbage or rubbish or remove any such container from the location where it shall have been placed by the owner or person lawfully in control of the premises; nor shall any such person remove the contents from any such container.

(b) It shall be unlawful for any person, firm or corporation to deposit or permit or suffer its agents, servants, or employees to deposit household or commercial wastes in or about the anti-litter cans or like receptacles provided by the city in various public places in the community.

Section 1-17. PLACE FOR DISPOSAL OF WASTE MATERIALS.

It shall be unlawful for any person to dispose of or cause to be disposed any garbage, rubbish or other waste materials upon any property other than a garbage dump or sanitary landfill so designated by the City.

Section 1-18. LITTERING PROHIBITED.

It shall be a misdemeanor for any person to place any garbage, straw, dirt, chips, shells, nails, iron, glass, fruit peelings, melon rinds, paper, shavings, rags, gravel, brick, building debris or other rubbish or other obnoxious substance on any street, sidewalk, alley, public park, parkway, square or other place in the city or on the property of another person.

Section 1-19. COLLECTION SERVICES SUBJECT TO HEALTH DEPARTMENT REGULATIONS.

The handling, collection and disposition of all garbage, refuse, rubbish and waste shall be subject to the regulations of the department of health which is charged with the duty of seeing to it that the public health shall not be endangered in the handling, storage or disposal of such refuse matter.

Section 1-20. SANITATION FUND.

All funds received by the City of Petal from the garbage fee billed or collected by the City of Petal for permit fees or location fees or sanitary dump fees shall be placed by the comptroller of the City of Petal in a special fund entitled "Sanitation Service Fee" which shall be used solely by the City of Petal to pay for the cost of sanitation services including all salaries of the sanitation department and all necessary capital expenditures for equipment and all other necessary and reasonable charges for the sanitation department, it being the intention of this article as previously set forth from its inception and that said funds shall be used to defray the cost of collection and disposal of garbage and other
