Mayor Sidney Smith and Board of Aldermen City of Petal P. O. Box 564 Petal, MS 39465

Dear Sirs:

Sections 185-188 of the Uniform School Laws approved in the 1986 regular session of the State Legislature amended Section 37-59-105 to allow school districts to secure capital improvement funds by declaring its intent through board resolution to borrow funds in a specific amount for a specific purpose. The levying authority for said school district shall levy a special tax on all of the certificates of indebtedness incurred by the school district. At no time shall the levy exceed 3 mils annually nor shall the levy exceed 10 years in length.

The need for capital funds was discussed in the June 9, 1987, regular meeting of the Board of Trustees for the Petal School District. The board adopted in its July 14, 1987, regular meeting a resolution declaring its intent to authorize the borrowing of \$400,000.00\$ for capital improvements under the provisions of the amended Section 37-59-105 code.

As required by law, the resolution was published once each week for two consecutive weeks (July 24, 1987 and July 31, 1987) in a newspaper having a general circulation in the school district. There being no petition requesting an election on the issue of borrowing capital improvement funds, the board in its regular meeting of August 11, 1987, by resolution spread upon its minutes gave final approval to borrow said money and authorized the issuance of negotiable notes of indebtedness of the school district.

The school district solicited fixed rate quotes from various lending institutions in an effort to secure the best rates. The best rate on the \$400,000.00 was 8.4% from the Bank of Mississippi. The schedule of 10 equal payments is \$60,691.76 annually. The amount of the fixed interest rate does not exceed the amount allowed by law.

page 2 Mayor Smith August 25, 1987

On behalf of the Petal School District, I respectfully request that the City of Petal annually levy a special tax on all taxable property of the school district in the amount adequate to repay \$400,000.00 for a ten year period at equal installments of \$60,691.76.

For your convenience I have furnished a copy of the July 14, 1987, resolution a copy of Section 185-187 of the Mississippi Code; and a copy of the proof of publications.

Please advise if you need additional information.

Sincerely,

PETAL SCHOOL DISTRICT
