Gentlemen:

At present the City of Petal is paying the Forrest County Hunane Society \$250.00 per month for services it provides for your city.

Each year we make a very careful effort to record the number of animals that we get from each area that we serve. Our records indicate that the number of animals that we got from the City of Petal has increased over last year by about 42%. Therefore we would like to ask that you increase your monthly payment to us by a like amount. This would put your monthly payment for our services at \$350.00.

We would sincerely appreciate your consideration.

Sincerely,
