"Dedicated to the preservation of Life and Property"

Dear Sirs;

To the Board of Aldermen and Mayor of Petal, I sincerely regret writing this letter. It has been brought to my attention by Chief Aubra Evans that he acted on my behalf in presenting my request for compensation for the position of training officer which was; fifty dollars a month for keeping training records in order, conduct training once a month at the regular training meeting and while on duty conduct any special training needed by any individual fireman or the whole group. The only time I was asking for compensation other than the fifty dollars was when I held a training session on a night other than the regular training meeting night or when called upon to represent the Petal Fire Dept. as training officer at a meeting somewhere else. Due to the decision made by the Mayor and Board of Alderman I resign my position as training officer effective 3-1-91.

Sincerely Yours;

James M. Barding
