Re: \$56,000.00 general obligation negotiable note
Section 17-21-51 et. seq. of the Mississippi Code

Dear Priscilla:

Deposit Guaranty National Bank is pleased to offer a financing proposal to the Mayor and Board of Aldermen of the City of Petal, Mississippi. For your \$56,000.00 par value, legally issued general obligation note we will pay \$56,000.00 with accrued interest to date of delivery. Both principal and interest would be payable annually in each of two (2) years. Principal reductions would be at a rate of \$28,000.00 per year with all accrued interest being due annually as well. The annual interest rate would be 5.60%. An amortization schedule is attached for your review.

Prior to the delivery of the note, a full transcript of all proceedings had prior to and incident to this issue, properly certified, is to be promptly furnished to us, without cost, satisfactorily evidencing to our attorney the unqualified legality of the issue in all respects; and you agree to take such further action as our attorney may require, to establish the validity of said issue.

If we are selected as the low bidder, we will be glad to work with the City's attorney regarding documentation. This would include providing a form of the awarding resolution as well as the note form.

The above rate of interest is contingent upon the note being designated as a qualified tax-exempt obligation within the meaning of and for the purposes of Section 265(b)(3) of the Internal Revenue Service Code of 1986, as amended.

This bid is good if accepted within 10 days from the date of this bid and funded within 45 days from acceptance.

Respectfully submitted,

Deposit Guaranty National Bank
