To Whom It Concerns:

This letter is an explanation for why 30 sections of 3" hose, was returned. Petal Fire Department expressed that they were not happy with the hose because it did not roll up easily. Therefore in keeping with our standards of making the customer happy, David's Fire Equipment has submitted a check for reimbursement. We appreciate your business, and hope to do business some time in the future.

Mayor Jack Gay
West 8 th Avenue
Petal, MS 39465

Mayor Jack Gay, Board of Alderman, City Inspector

To our elected officials - You have done a great job on the clean-up and beautifying of our city - Petal- for that we are thankful. Patsy and I would like for you all to consider the possibilities for West 2nd Avenue. West 2nd has zoning on the North side for multi-family- which most is vacant. The South side is zoned single-family from North George Street down to North Main, there is five (5) homes that are owner occupied, 2-vacant lots, 8-rental houses. To build a new house on one of the vacant lots - the cost would be more than the value, which would make it impracticable.

Considering that the North side of West 2nd Avenue is zoned multi-family - the South side zoned single - family, we request that a study be made of the possibilities of rezoning the South side of the street from North George Street down to North Main Street for apartments.

We want to thank you in advance for your consideration.

Sincerely,

Shirley L. Lowery
