Re: Lease Purchase Bid - One (1) new "New Holland" Tractor (Model 4630)

Dear Priscilla:

Deposit Guaranty National Bank is pleased to present a financing proposal to the City of Petal, Mississippi. We understand that the City would like to finance the above referenced equipment utilizing a lease purchase agreement. The cost of the equipment is \$15,274.00 and the City would like to finance the entire cost over twenty-four (24) months. The equipment is scheduled to be delivered within 30 days. Based on these parameters, the interest rate would be 6.10 %. An amortization schedule, showing the monthly payment, is attached for your review.

This bid is being offered contingent upon using documentation acceptable to Deposit Guaranty as well as the obligation being designated as a qualified tax exempt obligation within the meaning of and for the purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. Prior to the completion of the lease purchase agreement, a full transcript of all proceedings had prior to and incident to this issue, properly certified, is to be promptly furnished to us, without cost, satisfactorily evidencing to our attorney the unqualified legality of this lease purchase in all respects; and you agree to take such further action as may be required to establish the validity of said lease purchase.

Prior to funding, the City would provide evidence of insurance coverage on the vehicles with Deposit Guaranty shown as the "additional insured" and "loss payee" on the County's liability and physical damage insurance policies respectively.

This bid is good if accepted within 20 days from the date of this letter and the lease purchase is funded within 60 days from the same date. If the obligation is not funded within 60 days, the bank would have the right to not enter into the transaction if it so chooses. The above rate of interest will be held firm if the obligation is funded within the 60 day time period.

Respectfully submitted,

Deposit Guaranty National Bank

Dear Chief,

Please review the following list of volunteer firefighters. I would like to see these added to the list for vehicle insurance. They have been over the vehicles that they will be responsible for driving. A brief driving course was set up at the community center parking lot this past Saturday. I would like to test them on the streets according to the road test that I give the paid personnel. Before I test them on the main roads I would like to go ahead and get them insured for the safety of the city.
