Re: **Engineering Services
Community Development Block Grant**

Gentlemen:

We are pleased to present our proposal for providing engineering services in connection with your Community Development Block project. The information in this booklet addresses the items included in your Request For Proposals. Information relative to these items is as follows:

1. **QUALIFICATIONS:**

Allen & Hoshall, Ltd. has been in operation in this office since 1976 providing architectural and engineering services to governmental agencies throughout Mississippi. We have all of the surveyors, technicians, inspectors, and engineers required to perform the project.

In the ORGANIZATION Section of this booklet is information concerning Allen & Hoshall's qualifications and the staff available to work on your project. In the EXPERIENCE Section is information concerning projects similar to yours including sanitary sewers, trenchless construction, sewer rehabilitation and federally funded projects.

All of the engineers, surveyors, and technicians needed to perform the work included in this project have worked on previous similar projects and are familiar with CDBG projects and local Mississippi conditions. We are currently have CDBG utility projects underway at Sunflower, Vicksburg, Pelahatchie, Quitman, Lake, and Beulah. In addition, we are providing engineering services in Smith County, Waynesboro, and Shubuta.

2. **EXPERIENCE:**

Allen & Hoshall, Ltd. has extensive experience in federally funded projects. In the EXPERIENCE Section of this booklet is a partial listing of federally funded projects completed by staff members available to work on your project. In addition, we regularly work with the Department of Health on water projects and the Department of Environmental Quality on wastewater projects.

As indicated in the EXPERIENCE Section of this booklet, we are experienced in a variety of design projects. Construction was completed on a CDBG industrial site development project in Walnut Grove which included water, wastewater, well, tank, and road improvements. In addition, we provided engineering services for a CDBG project for Madison County which includes road, water, sewer, natural gas, and rail to support an industry expansion.

3. **CAPACITY:**

Allen & Hoshall, Ltd. has the experienced staff and equipment to complete the project in a rapid manner. The ORGANIZATION Section of this booklet includes information on the available personnel. By having all of the required engineers and technicians on our in-house staff, we can complete the design in an efficient manner. Our excellent working relationships with regulatory agencies will enable us to receive a quick approval of the plans and specifications. We have provided preliminary engineering services in connection with a number of federal grant projects. The number of projects we perform for repeat clients is an indication of our character and reputation. We won awards from the Consulting Engineers Council of Mississippi for our work at Grenada Lake for the U.S. Army Engineer District, Vicksburg and the City of Vicksburg.

Thank you for allowing us to present this information to you. We ask that you contact the clients listed in the REFERENCES Section of this booklet to discuss our capabilities and our ability to perform quality and timely services. We are confident we can assist you in the successful completion of this project. If we may provide additional information or answer any questions, please call me.

Sincerely,

Allen & Hoshall, Ltd.
