RE: 1999 COMMUNITY DEVELOPMENT BLOCK GRANT  
ENGINEERING

Gentlemen:

Pittman Engineers, Inc. is a Civil Engineering firm established in May, 1998 and offers complete Civil Engineering services. The Licensed Principal Engineer is Jeff Pittman, P.E.

Our firm is new, however, Jeff has been involved in numerous projects involving Community Development Block Grant (CDBG) funds, among other type funds, while employed with another Engineering firm. These projects consisted of infrastructure improvements.

Our firm will provide the following personnel:

Jeff Pittman, P.E.	Project Engineer & Manager
James T. Williams, P.L.S.	Project Registered Surveyor
Fred Pittman	Project Survey Party Chief
Tom Pittman	Project Inspector

Further information on each individual is contained in the enclosed packet.

We are conveniently located inside the City of Petal. We feel that our location along with our combined range of experience, will allow us to provide the most efficient and cost effective Engineering services necessary for the preliminary, design, bidding, and construction phases of your CDBG project.

We appreciate this submittal opportunity and look forward to hearing from you on this work.

Sincerely,

Jeff Pittman, P.E., Pres.  
Pittman Engineers, Inc.

Enclosure

This proposal made this the 25<sup>th</sup> day of December, 1998, to Petal, Mississippi (City) from Shows, Dearman and Waits, Inc. (Engineer) for CDBG engineering services.

EXHIBIT "A"

The Engineer agrees to perform the following services in connection with the project as hereinafter stated:

- I. ENGINEERING SERVICES:
  - A. The Engineer will prepare all surveys required for preparation, design and specifications.
  - B. The Engineer will assist in preparing and processing of any related administrative documents and/or other documents required for the Project.
  - C. The Engineer will prepare all detailed plans and specifications necessary for the construction and installation of the Project.
  - D. The Engineer will prepare the necessary proposal and contract documents as may be required in connection with the receiving of Bids and award of contract for work to be performed and for equipment and/or materials to be furnished and installed.
  - E. The Engineer will assist in the tabulation of bids received from contractors, manufacturers and vendors submitting proposals for work to be done and/or equipment to be furnished or installed and/or materials to be furnished.
  - F. The Engineer will provide supervision for the construction and installation of equipment throughout the construction including construction control staking. Supervision herein referred to is not intended and will not be interpreted to include the daily full-time presence of the Engineer, but will include during the construction period, visits by the Engineer to the Project in such frequency as the Engineer may deem necessary to insure the Owner of proper execution of construction and installation of equipment relating to the proposed Project. This supervision does not include a resident inspector throughout the construction period.
  - G. The Engineer will prepare and approve monthly estimates of contractors and/or others for payment by the Owner for construction work performed and/or equipment furnished or installed and/or materials furnished.
  - H. The Engineer will prepare as-built plans and maps of the completed Project in the event that any changes are made in the plans for the work subsequent to the original approval of the detailed plans and specifications prepared for construction.
  - I. The cost of these proposed services shall be a lump sum amount and will be negotiated between the Owner and the Engineer as part of the selection process. All costs will be in accord with all pertinent regulations including OMB Circulars A-102 and A-87; FMC 74-4; and all related HUD requirements.
  - J. The Engineer shall work with the Administrator of the Project to insure all records and files meet current CDBG, State and/or Federal requirements.
  - K. The Engineer shall work with the Administrator of the Project to insure that all necessary Federal and/or State regulations are met during the bid process, including the specifications.
  - L. The Engineer shall work with the Administrator of the Project to obtain all necessary permits, if any, and State or Federal Agency approvals, if necessary.

Re: 1999 Community Development Block Grant

Gentlemen:

Please accept this letter as our firm's proposal for legal services to be provided regarding the above captioned matter. Our law firm is the largest law firm south of Jackson, MS. The lawyers in our firm are well versed in evaluating and advising state and federal laws and regulations and assuring compliance.

We are capable of providing all of the consultation services outlined in the CDBG application, including, but not limited to, the evaluation of all contracts and land acquisitions. Attorneys with our firm possess extensive legal experience in advising governmental bodies, including boards of supervisors, school boards, hospital boards, and municipalities.

We have previously provided legal services in connection with other Community Development Block Grant projects, including road extensions, sidewalk extension, and drainage projects as well as other similar programs. Our firm is composed of seventeen attorneys, four paralegals, and adequate support staff to perform all of the requested legal services in a timely manner.

Our current legal rates for professional services rendered are:

Partners- \$130.00 per hour  
Associates- \$110.00 per hour  
Paralegals- \$ 65.00 per hour

(No additional charges are made for support staff including paralegals, clerks, and document supervision.)

We appreciate your consideration of our proposal.

Respectfully submitted,

AULTMAN, TYNER RUFFIN & YARBOROUGH, Ltd.

Attn: Mayor Jack Gay

Gentlemen:

I agree to prepare a Tax Increment Financing Redevelopment Plan for the City of Petal, a Tax Increment Financing Plan for the City of Petal, and a Tax Increment Financing Plan for Forrest County for the Wal-Mart SuperCenter Project to be located in Petal, Mississippi.

The Scope of Work will include the following activities:

- A. Tax Increment Financing Redevelopment Plan for the City of Petal
1. Preparation of a Tax Increment Financing Redevelopment Plan;
  2. Meeting with the City Planning Commission for a planning review of the Tax Increment Financing Redevelopment Plan with the City's overall Comprehensive Plan;
  3. Preparation of necessary documents to authorize a public hearing for the consideration of approval of the Tax Increment Financing Redevelopment Plan and conducting the public hearing; and
  4. Preparation of the documents, i.e., resolution, necessary for the adoption of the Tax Increment Financing Redevelopment Plan.
- B. Tax Increment Financing Plan for the Wal-Mart SuperCenter Project For The City of Petal
1. Preparation of the Tax Increment Financing Plan for the Wal-Mart SuperCenter Project. The Plan will, among other things, describe the project to be constructed, the amount of TIF Bonds to be issued, the proposed use of those TIF funds, the amount of taxes to be pledged to service TIF debt, identify the property to be taxed, and identify the benefits to accrue to the City as a result of the TIF project;
  2. Review of the Tax Increment Financing Plan with Bond Counsel;
  3. Preparation of necessary documents to authorize a public hearing for consideration of approval of the Tax Increment Financing Plan for the Wal-Mart SuperCenter Project and conducting the public hearing; and
  4. Preparation of the documents necessary for adoption of the Tax Increment Financing Plan for the Wal-Mart SuperCenter Project.

  4. Preparation of the documents necessary for adoption of the Tax Increment Financing Plan for the Wal-Mart SuperCenter Project.

The scope of work set forth above will be performed at a cost of \$17,500. Said costs shall be borne by the City of Petal. The City agrees to pay the invoice rendered by Jimmy G. Gouras, Urban Planning Consultants, Inc., within thirty (30) days of receipt of that invoice. If we do not receive payment from the City within said thirty (30) days from the date of the invoice, your account will be delinquent, and the City will pay one and one-half percent (1½%) per month (or the maximum legal rate if there is any difference) on all amounts from the due date until paid. In addition, the City agrees to reimburse Jimmy G. Gouras, Urban Planning Consultants, Inc., for all attorneys' fees and costs of collection incurred in collection of any delinquent amount.

The TIF Redevelopment Plan and the TIF Plan preparation costs are reimbursable from the TIF Bond issue. It is the intent of the City to pay for the Plan preparation costs and to be reimbursed for said costs from the proceeds of the bond issue.

I look forward to working with you towards making this valuable economic development opportunity become a reality.

Sincerely,

  
Jimmy Gouras
