City of Petal  
P.O. Box 564  
Petal, MS 39465

We are pleased to confirm our understanding of the services we are to provide for the City of Petal for the year ended September 30, 2002. We will audit the general purpose financial statements of the City of Petal as of and for the year ended September 30, 2002. We understand that the financial statements will be presented in accordance with the financial reporting model in effect prior to that described in GASB Statement No. 34.

**Audit Objective**

The objective of our audit is the expression of an opinion as to whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America and to report on the fairness of the additional information referred to in the first paragraph when considered in relation to the financial statements taken as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and will include tests of the accounting records and other procedures we consider necessary to enable us to express such an opinion. If our opinion on the financial statements is other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

**Management Responsibilities**

Management is responsible for making all financial records and related information available to us. We understand that you will provide us with such information required for our audit and that you are responsible for the accuracy and completeness of that information. We will advise you about appropriate accounting principles and their application and will assist in the preparation of your financial statements, but the responsibility for the financial statements remains with you. That responsibility includes the establishment and maintenance of adequate records and effective internal control over financial reporting, the selection and application of accounting principles, and the

City of Petal  
Page 2

safeguarding of assets. Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

**Audit Procedures-General**

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements (whether caused by errors or fraud) or illegal acts may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements, immaterial illegal acts, or illegal acts that do not have a material effect on the financial statements. However, we will inform you of any material errors that come to our attention and any fraud that comes to our attention. We will also inform you of any illegal acts that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to matters that might arise during any later period for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

Identifying and ensuring that the City of Petal complies with laws, regulations, contracts and agreements is the responsibility of management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City of Petal's compliance with applicable laws and regulations and the provisions of contracts and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

**Audit Procedures-Internal Control**

In planning and performing our audit, we will consider the internal control sufficient to plan the audit in order to determine the nature, timing and extent of our auditing procedures for the purpose of expressing our opinions on the City of Petal's financial statements.

An audit is not designed to provide assurance on internal control or to identify reportable conditions. However, we will inform the governing body or audit committee of any matters involving internal control and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control that, in our judgment, could adversely affect the entity's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements.

**Audit Administration, Fees and Other**

We will provide the services described above for the fiscal year ending September 30, 2002. Our fee is estimated to require 300 man hours with a maximum not to exceed \$14,500. Bookkeeping assistance required to clear up posting errors will be billed separately at \$50 per hour.

Also our fee is based on normal procedures expected in an audit of an entity of the nature of the City of Petal. Any significant changes in the scope of operations or extraordinary record keeping problems will be immediately reported to management and the chairman of the board. The audit fee would be re-negotiated accordingly.

We appreciate the opportunity to be of service to the City of Petal and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Rule 9  
Motor Vehicle Assessments

Pursuant to Miss. Code Ann. 27-51-19, the Tax Commission is required to annually prepare and adopt an assessment schedule for motor vehicles. In preparing this schedule, the Commission shall use a computer system package of assessments identified by the VIN ("vehicle identification number"). If the VIN does not produce an assessed value or if the computer system is not in operation, the local tax collector shall use the MSRP ("manufacturer suggested retail price") with the applicable depreciation percentage for the year in which the vehicle was manufactured.

The local tax collector shall be responsible for obtaining a source of MSRP(s) except for new vehicles. The taxpayer shall be responsible for supplying the MSRP for a new vehicle, by submitting a copy of the window sticker with the MSRP, to the tax collector at the time the tag is purchased.

The Commission will annually furnish to each tax collector a hard copy assessment schedule for trailers, motorcycles, special equipment, etc. to be used in the assessment of this type of property.

AUTOMOBILES & LIGHT TRUCKS  
ASSESSMENT PERCENTAGES  
AND EXPLANATION

2003	2002	2001	2000	1999	1998	1997	1996	1995	1994	1993 & older
27%	23%	19%	15%	12%	9%	7%	5%	-4%	3%	\$100

The motor vehicle assessment adopted by the Tax Commission is the computer system package of assessments identified by the VIN (vehicle identification number). If the VIN does not produce an assessed value, the MSRP (manufacturer's suggested retail price) is entered in the system and it multiplied by the applicable percentage for the year in which the vehicle was manufactured.

The above percentages are used to calculate the assessed value for automobiles and light trucks. These percentages represent the assessment ratio of 30% less applicable depreciation. The appropriate percentage is multiplied by the MSRP of the vehicle being tagged to arrive at the assessed value. For 1993 and older models the assessed value is \$100.

The Mississippi Constitution mandates that motor vehicles be assessed at 30% of true value. The Commission estimates that the true value of a new vehicle is approximately 90% of the MSRP. The 30% assessment rate multiplied by 90% produces an effective percentage of 27% that would be multiplied by the MSRP of new vehicles to arrive at assessed value.

The Road and Privilege Tax on all passenger vehicles is \$15.00. See Sections 27-19-5 and 27-19-9, Mississippi Code of 1972, for the privilege tax on motorcycles, ambulances, hearses, school and church buses, and taxicabs.

**Mississippi**  
**Proclamation**

*WHEREAS, responsible, caring and involved parenting dramatically effects the direction of a child's life and influences the well-being of society as a whole; and*

*WHEREAS, the National Center on Addiction and Substance Abuse (CASA) at Columbia University found that parental engagement reduces youth substance abuse risk as well as builds strong and loving bonds between parents and children; and*

*WHEREAS, CASA launched "Family Day - A Day to Eat Dinner With Your Children," as an annual event which takes place on the fourth Monday of each September. Family Day is meant to emphasize the importance of regular family activities as a way to facilitate parent-child communication and encourage Americans to make family dinners a regular feature of their lives;*

*NOW, THEREFORE, I, Tony Phillips, Mayor of the City of Petal, Mississippi, do hereby proclaim September 23, 2002 as Family Day. I call upon the people of Petal to observe this day by spending quality time with family members and engaging in other wholesome activities that help unite and strengthen the bonds between parents and children*

*Honorable Tony Phillips  
Mayor, City of Petal*

EXHIBIT "M"

**"A Day to Remember"**

*WHEREAS, the unprovoked attacks of September 11, 2001, upon America by foreign terrorists have thrust the United States, and other countries, into a war it never envisioned, militarily and diplomatically; and*

*WHEREAS, the challenges facing all the civilized people of the world as they relate to the war on terrorism will not end until those fanatics responsible are eliminated or brought to justice; and*

*WHEREAS, America is fully committed through Operation Enduring Freedom and Operation Noble Eagle to ensure our freedoms remain unfettered and sovereign for all generations, now and forever; and*

*WHEREAS, world opinion needs to remain focused upon the eradication of these inhuman acts perpetrated around the globe; and*

*WHEREAS, one way to accomplish this is to NEVER FORGET that those innocent victims did not die in vain; and*

*WHEREAS, America can fight back by reminding the world that the deaths of these people will always be remembered and they will be forever loved; and*

*WHEREAS, a noble and appropriate way to accomplish this is through the annual celebration of their living; and*

*WHEREAS, this commemoration should be held each September 11<sup>th</sup> throughout the land to include:*

- ♦ *The promotion of global peace and goodwill;*
- ♦ *The demonstration of America's resolve and perseverance to win the war on terrorism;*
- ♦ *The advancement of responsible citizenship;*
- ♦ *The encouragement of patriotism and love of country; and*
- ♦ *The poignant remembrance of those innocent victims that died on September 11<sup>th</sup>, and heroes, one and all;*

*NOW, THEREFORE BE IT RESOLVED, as the Mayor of the City of Petal, MS, I am issuing this proclamation to memorialize those men, women and children who lost their lives;*

*AND BE IT FURTHER RESOLVED that this proclamation be publicized for all to see and know that the citizens of Petal remember with eternal respect for those whose lives were suddenly, without cause, and pointlessly taken from them on September 11<sup>th</sup>, 2001.*

*May They Forever Rest In Peace and Abide In Our Memories*
