Re: Donation of items

Please consider this a formal request to donate the below listed items to Mt. Olive Police Department. Thank you for consideration in this matter.
800 mobile mics, (1) wire transport cage, (1) whelen strobe light, form pants, approximately (40) 800 handheld batteries, (4) pbt's, pbt straws, and (13) 9mm dual retention holsters.

To Whom It May Concern

The Mt. Olive Police Department is in desperate need of another patrol vehicle(s). We are a small department that does the best work that we can with the equipment that we have, but all of our vehicles are in very bad shape averaging approximately 190, 000 miles. We are constantly repairing our vehicles and the cost is straining our already tight budget. We are asking to be considered to be a recipient of any surplus vehicle(s) and or equipment that your department might donate to other agencies. We are in need of handguns, shotguns, office equipment, emergency lights for patrol cars and bullet proof vest. Any help that you can give to our department would be greatly appreciated. I hope and pray that our department would be considered. I would like to personally thank you in advance.
