Mayor Breedlove addressed the letter of resignation/retirement of Don Terry, Building Official and Code Enforcement, effective 3-31-2026, and stated that there may be an interim individual to provide services to the community. This is an opportunity to reevaluate how the city approaches these areas.

Planning - the catastrophic well failure last week reiterates Oakville's most consistently debilitating challenge: long-term planning vs short term problem solving. First step is a pivot for the GH Boundary Review/Planning Committee. Mayor has contacted Planning Chairperson, Councilperson Edwards, and he has agreed.

Staff Resources - Mayor has continued to assess how the city utilizes staff resources, and how those efforts can be maximized. Later a report with recommendations and action items will be prepared for the council.
