Agenda Item #6 - Consideration and possible action to approve amendment to existing contract for 777 Zip Line.

- Presentation by Gary Fielding on “The Zipper” that he desires to construct on the property leased from Davis Municipal Authority to expand his customer base and increase tax revenue for the City of Davis. Holland shared his reasons for not being in favor of amending the current contract to allow the construction because Mr. Fielding is not in favor of paying increased rental on the property and there are plans for a historical marker to be relocated from a scenic turnout on I35 to the Turner Falls overlook and one of the three desired locations is the place where Mr. Fielding would like to construct “The Zipper”. Mr. Fielding has reconsidered since his first discussion with Mr. Holland and he is willing to increase his lease payment by \$7.77 per year. City Attorney Mark Melton asked that Mr. Fielding propose an amendment to the current contract that would allow for the addition of “The Zipper” and that both parties fully know their exposure. Chairman Davis agreed to call a special meeting if it was needed to present the amended contract to the Trust and vote to approve or deny the amendment to allow Mr. Fielding time to complete the project before Memorial Day weekend. Holland commented that the amendment should clearly outline Mr. Fielding’s relationship with the owner of the ride that will be his partner. Mr. Fielding announced to the Trust that he would not put in the ride and he exited the meeting. No action taken.

Agenda Item #7 - New Business: Discussion and possible action concerning any matter not known which could not have been foreseen prior to the posting of this agenda.

- Holland made a presentation on our current water distribution issues and the need to complete an emergency repair that includes boring beneath the Washita River to place a casing and new water line. Currently we are unable to supply water to our residents on the South side of the river and we are being temporarily allowed to service them by utilizing water from Falls Creek. Holland requested an emergency approval to spend in excess of his spending limit and forego competitive bidding due to the exigent circumstances and emergency situation with our water supply. Motion made by Davis to approve spending up to \$100,000 to complete the emergency repair. Second by Bumgarner. All trustees present voted in favor.

Agenda Item # 8 – Adjourn

- Motion made to adjourn by Jones. Second by Bumgarner. All trustees present voted in favor.
