

Notice of Public Hearing & Agenda City of Davis

July 13, 2026, 6:00 PM
Davis City Council Chambers
308 South 3rd Street
Davis, Oklahoma 73030

Agenda Item #1 Call to order Public Hearing of Davis City Council.

- Hearing called to order by Mayor Brian Davis. Time 6:00 PM

Agenda Item #2 Roll Call.

- Mayor Brian Davis – present; Vice Mayor Stan Jones – present; Councilman Josh Oakley – present; Councilman Clint Grinstead – present; Councilman Jeremy Bumgarner – present

Agenda Item #3 Prayer.

- Prayer led by Jones.

Agenda Item #4 Pledge of Allegiance.

- Pledge led by Davis.

Agenda Item #5 Presentation of the improvements made for CDBG contract #19158 CDBG 23 Wastewater Treatment Plant Improvement Project.

- Robin Slawson with Parkhill is at the meeting representing to the City on this grant. Slawson states the grant was funded through the CDBG Block Grant, funding came from the Department of Commerce. Funding was for wastewater treatment facility improvements including solids, dewatering and polymer feed system, electrical upgrades, and backup power source generator. Slawson states the cost of the project was approximately \$1.2 million. The City paid approximately \$615,000.00 of that total. Actual cost came in at \$810,750.00. The final inspection was conducted. BNB Industries was the contractor. Everyone has signed off on the project being completed. Improvements benefited a population of approximately 2,675 with 55.67% of the population low to moderate income, which is part of the threshold for getting the grant funds. Slawson states she worked with the grant team who administered the grant with the City. Slawson asks for comments, no comments.

Agenda Item #6 Citizen Comments on CDBG contract #19158 CDBG 23 Wastewater Treatment Plant Improvement Project.

- No citizen comments.

Agenda Item #7 Consideration and discussion to finalize and close the CDBG contract #19158 CDBG 23 Wastewater Treatment Plant Improvement Project with the Oklahoma Department of Commerce.

- No questions or comments.

Agenda Item #8 Consideration and possible violation of Davis City Code Section 5-3-6, Dilapidated Buildings at BLK 4, LOT 19, Pecan Grove Addition, more commonly known as 101 E Crawford St., Davis, Oklahoma, 73030.

- Susan Suther, City Manager, stated this property is a mobile home that is off of its foundation and unsafe. Terry Blalock, Code Enforcement Officer, is present for questions. Davis asks Blalock if he has talked to the homeowner. Blalock states he has, at first the homeowner was going to get with Johnson Construction to get it torn down. The homeowner later did not have the money to tear it down.

Agenda Item #9 Consideration and possible violation of Davis City Code Section 5-3-6, Dilapidated Buildings at BLK 3, LOT 8, Pecan Grove Addition, more commonly known as 209 N Marvin Dr., Davis, Oklahoma, 73030.

- Suther stated this is a mobile home in poor condition. It has been a Code Enforcement property for the last several years. If it is declared dilapidated, it can be removed and a lien filed against the property.

Agenda Item #10 Consideration and possible violation of Davis City Code Section 5-3-2, Accumulation and Deposits of Weeds and Trash at BLK 133, LOT 7, Davis, more commonly known as 406 S. B St., Davis, Oklahoma, 73030.

- Suther stated this is a repeat abatement property from last year. It is a vacant lot in a residential area. The grass is tall and the property owner has not mowed.

Agenda Item #11 Close Public Hearing.

- Public Hearing closed by Davis.

Agenda Item #12 Adjourn.

- Motion to adjourn made by Oakley. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes. Time: 6:07 PM

City of Davis

July 13, 2026, 6:00 PM
Davis City Council Chambers
308 South 3rd Street
Davis, Oklahoma 73030

Agenda Item #1 Call to order Davis City Council.

- Meeting called to order by Mayor Brian Davis. Time: 6:07 PM

Agenda Item #2 Roll Call.

- Mayor Brian Davis – present; Vice Mayor Stan Jones – present; Councilman Josh Oakley – present; Councilman Clint Grinstead – present; Councilman Jeremy Bumgarner – present.

Agenda Item #3 Consideration and possible action to approve or deny the Consent Agenda.

- a. Minutes of June 8, 2026, Regular Meeting. Motion to approve made by Jones. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – abstain; Oakley – abstain; Jones – yes; Davis – yes.
- b. Minutes of June 29, 2026, Emergency Meeting. Motion to approve made by Jones. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- c. Claims. Motion to approve made by Jones. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – abstain; Oakley – abstain; Jones – yes; Davis – yes.

Agenda Item #4 Consideration and possible action to approve or deny items removed from Consent Agenda.

- None

Agenda Item #5 Consideration and possible action to approve the final payment to BNB Construction for \$118,945.75 and accept the work as complete for CDBG Project #19158 – 2023 Wastewater Treatment Plant.

- Motion to approve the final payment to BNB Construction for \$118,945.75 and accept the work as complete for CDBG Project #19158 – 2023 Wastewater Treatment Plant made by Jones. Second by Oakley. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther stated the final pay app is in the packet. It includes the original price, change orders, and this final payment due. This will close the BNB portion of the contract.

Agenda Item #6 Consideration and possible action to approve closeout of CDBG contract #19158 CDBG 23 Wastewater Treatment Plant Improvement Project and authorize the Mayor or Treasurer to sign closeout documents.

- Motion to approve closeout of CDBG contract #19158 CDBG 23 Wastewater Treatment Plant Improvement Project and authorize the Mayor or Treasurer to sign closeout documents made by Jones. Second by Grinstead. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther stated this is part of the process for CDBG funding.

Agenda Item #7 Consideration and possible action to approve, amend, or deny, Order of Removal for a violation of Davis City Code, Section 5-3-6, Dilapidated Building at BLK 4, LOT 19, Pecan Grove Addition, more commonly known as 101 E Crawford St., Davis, Oklahoma, 73030.

- Motion to approve Order of Removal for a violation of Davis City Code, Section 5-3-6, Dilapidated Building at BLK 4, LOT 19, Pecan Grove Addition, more commonly known as 101 E Crawford St., Davis, Oklahoma, 73030, giving the property owner twenty-one days from current date or August 3rd, 2026, to perform the work made by Grinstead. Second by Davis. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther explains this is the order, if approved, that will be executed and sent to the property owner. Item number four allows the council to give the property owner a date by which they must remove the building. The City will then, if it is not removed, go out for lowest bid to remove the building. Once the building's removed the City will pay the invoice and file a lien on the property. Davis asks if there is a standard time frame given on these properties. Suther asks Terry Blalock, Code Enforcement Officer, how much time has already been given to this property owner. Blalock states they have already received about two and a half months. Suther states Blalock has been working with the property owner and

been in contact, if no contact were made, she would make a longer recommendation. Contact has been made; the property owner made an attempt to have the property torn down but was unsuccessful. Grinstead states a demo locate will take fourteen days. Grinstead would recommend more time than fourteen days. Davis suggests twenty-one days, Grinstead agrees that is a good time frame.

Agenda Item #8 Consideration and possible action to approve, amend, or deny Order of Removal for a violation of Davis City Code, Section 5-3-6, Dilapidated Building at BLK 3, LOT 8, Pecan Grove Addition, more commonly known as 209 N Marvin Dr., Davis, Oklahoma, 73030.

- Motion to approve Order of Removal for a violation of Davis City Code, Section 5-3-6, Dilapidated Building at BLK 3, LOT 8, Pecan Grove Addition, more commonly known as 209 N Marvin Dr., Davis, Oklahoma, 73030, giving the property owner twenty-one days from current date or August 3rd, 2026, to perform the work made by Grinstead. Second by Oakley. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther states this property is the same situation. Blalock stated he spoke with the property owner today and she is requesting more time. Blalock and the owner have gone back and forth; she wanted to find someone to haul this home off and purchase a new one. The property owner originally was going to find someone to make the repairs until she was told it would be at least \$40,000.00 to repair. Davis recommends if someone makes a motion to stick with the twenty-one days. Blalock stated he told her today that his recommendation to the Council would be to continue with the removal. Suther states the property has been vacant the entire time it has been a code enforcement case, five- or six-years total. Grinstead states this one has been going on for a while.

Agenda Item #9 Consideration and possible action to approve, amend, or deny Order of Abatement on violation of Davis City Code, Section 5-3-2, Accumulation and Deposits of Weeds and Trash at BLK 133, LOT 7, Davis, more commonly known as 406 S. B St., Davis, Oklahoma, 73030.

- Motion to approve Order of Abatement on violation of Davis City Code, Section 5-3-2, Accumulation and Deposits of Weeds and Trash at BLK 133, LOT 7, Davis, more commonly known as 406 S. B St., Davis, Oklahoma, 73030 made by Grinstead. Second by Davis. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther states that in this order, in section six, seventy-two hours is the time frame given to the property owner if agreed upon by the Council.

Suther asks Blalock if he has made contact with the homeowner. Blalock has spoken with the homeowner once with no response since. Suther states this property had a summary of abatement last year and had to be mowed. Expenses are being tracked and a lien will be filed on the property. Grinstead asks if they are given seventy-two hours to mow, and if it's not done, the City mows and files another lien. Suther explains, yes, the summary of abatement is only good for six months. That gets the property outside of mowing season and the process has to be done again next mowing season. Suther states this will allow the City to mow for the next six months.

Agenda Item #10 Consideration and possible action to approve, amend, or deny Resolution #740 Authorizing Application for Financial Assistance from SODA Rural Economic Action Plan Fund for Water Line Valving Project.

- Motion to approve Resolution #740 Authorizing Application for Financial Assistance from SODA Rural Economic Action Plan Fund for Water Line Valving Project made by Davis. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther stated the SODA REAP grant has increased to \$90,000.00 this year. The year previously was seventy-five thousand last. The City will use the DEQ Consent order and Water Model to go after the grant with no cash match, but using in-kind labor as our match. The application is due at the end of this month.

Agenda Item #11 Consideration and possible action to approve, amend, or deny Resolution #741 Requesting the Oklahoma Municipal League to Support Legislation for the 2027 State of Oklahoma Legislative Session.

- Motion to approve Resolution #741 Requesting the Oklahoma Municipal League to Support Legislation for the 2027 State of Oklahoma Legislative Session made by Grinstead. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Suther stated the request provided in the packet was received last Thursday, it only gives a week turn around time. OML will lobby on behalf of municipalities whenever municipalities are facing certain challenges, and they group all that information together, and they go to the state legislators and ask them for changes to the Oklahoma state statutes. The City has a few cases that the police are battling, someone will break the law, they are taken into custody, and they'll be released right back out because there's not any help for them. The person is battling addiction, mental illness, unhoused, some of those kinds of situations. The individuals wreak havoc upon citizens. The City would like to send this

resolution of support by the Council into OML. Suther is unable to attend on July 29th but will send Chief Gregory in her place to meet with OML. This will be taken and combined with other cities battling the same issues to hopefully see some changes made. Suther states there is currently some panhandling going on in Davis. Our Ordinances are being reviewed to be strengthened and try to help solve some of these situations. This support will ask OML to make this a bigger issue and take it to our legislators. Suther states there is a list of questions in the letter, if any of the Council would like to add comments to send them to her.

Agenda Item #12 Consideration and possible action to approve, amend or deny purchase of 2015 Chevrolet pickup from Mike Hellack Chevrolet in the amount of \$18,500.

- Motion to approve purchase of 2015 Chevrolet pickup from Mike Hellack Chevrolet in the amount of \$18,500 made by Davis. Second by Oakley. Vote: Bumgarner – yes; Grinstead – abstain; Oakley – yes; Jones – yes; Davis – yes.
- Suther states Mike Hellack Chevrolet has been watching for a good used vehicle for the City. With it being early in the FY 2027 budget and a used vehicle was not listed in the budget Suther is bringing this before the Council to make them aware, be transparent and get their approval. Budget amendments will need to be made, Suther has identified the areas the funds can come from. This vehicle would be assigned to Blalock for Code Enforcement and Public Works related work. The current vehicle Blalock is driving has issues, the repairs cost more than the vehicle is worth. Three of the police Durango's are having motor issues, not allowing use of a backup police vehicle for code enforcement duties. The vehicle is brown but in good condition, the service history is at Hellack's, and it has 107,000 miles. Buckaloo and Suther have driven it. Cox and Blalock looked it over closely. Davis asks if it is a ½ ton. Suther states it is a ½ ton, four-wheel drive with four doors.

Agenda Item #13 Consideration and possible action to enter into executive session pursuant to 25 O.S. § 307(B)(3): Discussing the sale, purchase, lease, acquisition, or appraisal of real property by the public body.

- Motion to enter into executive session made by Jones. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes. Time: 6:31 PM

Agenda Item #14 Consideration and possible action to return from executive session.

- Motion to return from executive session made by Oakley. Second by Davis. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes. Time: 7:02 PM

Agenda Item #15 Presentation of executive session minutes by City Attorney to City Clerk/Treasurer.

- Email and received by City Clerk/Treasurer. Time: 7:02 PM

Agenda Item #16 Consideration and possible action regarding item discussed in Executive Session.

- No discussion or action.

Agenda Item #17 Department Reports to include updates, projects, and financial information.

- a. Police Dispatch Activity, Animal Control Activity, & Code Enforcement Violations & Citations, Training Updates.
 - Suther stated reports in packet and asked for questions. No questions.
- b. Fire Dispatch & Responses, & Training Updates.
 - Suther stated report in packet and asked for questions. No questions.
- c. Public Works – Streets, Cemetery, & Park General Updates.
 - Suther stated reports in packet and asked for questions. No questions.

Agenda Item #18 City Treasurer Report.

- Sirena Gaddis, City Clerk/ Treasurer, touched on two items on her report. CD 2 was renewed for six months at Pauls Valley National Bank at 4.00% APY. Gaddis reached out to OWRB and got an update on the debt service numbers in the report.

Agenda Item #19 City Manager Report.

- Suther states financials are in the packet. Suther and Gaddis are working together on closing out FY 2026, to get everything to the CPA, to get the audit started. The 2nd Street drainage project was approved. Ryan Eaves allocated \$422,000.00 of the ARPA interest funds to that project. Suther is working with the railroad to get their permission to work within the easement. On July 9th Senator Lankford was in Suther's office. They discussed various projects throughout the City, aging infrastructure, challenging staffing in a few areas, and some of the legislative information discussed earlier in the meeting about OML. On July 15th City Hall will close an hour early so staff can attend Open Meeting Act training. The

Red, White and Davis event was successful, lots of people attended. In January our fireworks vendor will release available dates for 2027, with seniority getting first date choice. This was the City's first year with this vendor.

Agenda Item #20 Davis Chamber of Commerce Report.

- Suther stated the report is in the packet. Megan Todd, Executive Director, has resigned as of July 24th. Hiring for her replacement is ongoing.

Agenda Item #21 New Business: Discussion concerning any matter not known and not reasonably foreseeable prior to the posting of this agenda.

- None

Agenda Item #22 Adjourn.

- Motion to adjourn made by Oakley. Second by Jones. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes. Time: 7:08 PM

Davis Municipal Authority

July 13, 2026, 6:00 PM
Davis City Council Chambers
308 South 3rd Street
Davis, Oklahoma 73030

Agenda Item #1 Call to order Davis Municipal Authority.

- Meeting called to order by Chairman Brian Davis. Time 7:08 PM

Agenda Item #2 Roll Call.

- Chairman Brian Davis – present; Vice Chairman Stan Jones – present; Trustee Josh Oakley – present; Trustee Clint Grinstead – present; Trustee Jeremy Bumgarner – present.

Agenda Item #3 Consideration and possible action to approve or deny the Consent Agenda.

- a. Minutes of June 8, 2026, regular meeting. Motion to approve made by Bumgarner. Second by Davis. Vote: Bumgarner – yes; Grinstead – abstain; Oakley – abstain; Jones – yes; Davis – yes.
- b. Minutes of June 29, 2026, Emergency Meeting. Motion to approve made by Oakley. Second by Jones. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- c. Claims. Motion to approve made by Davis. Second by Bumgarner. Vote: Bumgarner – yes; Grinstead – abstain; Oakley – abstain; Jones – yes; Davis – yes.

Agenda Item #4 Consideration and possible action to approve or deny items removed from Consent Agenda.

- None

Agenda Item #5 Consideration and possible action to approve, amend, deny, postpone, acknowledge, or affirm Midground Creators, LLC contract update to include Turner Falls combo ticket.

- Motion to approve Midground Creators, LLC contract update to include Turner Falls combo ticket made by Davis. Second by Jones. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
- Justin Ramsey, Midground Creators Manager, and Erin Creach, Turner Falls Director, have worked together on the agreement along with input from Chief Gregory. There is interest from riders at Crossbar when out riding, wanting to come over far enough into Turner Falls to dip in the river, or in the creek to cool off. This update is to allow Crossbar to sell a combination ticket. It would include a discount rate into Turner Falls. If they took their side-by-side farther into Turner Falls, they would have to follow all the rules and regulations of anything else that's street legal. They can park up top and leave their side-by-side there. The update states that if either party is not satisfied with this change, with 30-day notice, we can discontinue the combo ticket. The Crossbar agreement does expire in December of this year; this amendment will expire at the same time. The only change will be in the revenue; the portion charged for Turner Falls admission for adults and children will be paid prior to the revenue split. Midground would cut that check directly to Turner Falls and they would take in like other vendor payments. Davis asks if Turner Falls will sell Crossbar tickets. Suther stated they will not, there is no interest in going to Crossbar from Turner Falls customers. Davis asks if they are not street legal would they have to stay up top. Suther states

street legal can come all the way in. If they are not street legal, they would have to stop at the top. Creach states they are also looking at adding designated spots next to the store for the side-by-sides to park, like a VIP area. They will not be able to roam around the park. Grinstead asks if ordinances will need to be redone if they are coming that far into the park. Grinstead thought they were going to be stopping at the top gravel parking lot then walking down to swim or riding a tram. Suther states some will stop at the top and go to the Butterly Creek. Grinstead wants to make sure if allowed on paved roads, if they break the law, we are still able to enforce our law. Chief Gregory states they would be allowed to come on the Butterly curve to the store only. If they break any laws being street legal or not, they will be ticketed. Grinstead states if this works out well, possibly looking into building a trail from Crossbar to the store, keeping them off the paved road. Suther states there is trail for the guided tours but that it is not open to the general public, it is specifically for the guided tours. If this goes well and is popular this could be built upon. Oakley asks if this will affect the maximum occupancy. Suther states' maximum occupancy has not been reached in three years. Once maximum occupancy is reached, a percentage of those people have already spent their time and left the park for the day. There is not an effective way to track those that have left. Suther is not concerned with that being an issue currently.

Agenda Item #6 Department Reports and Managed Agreement Reports to include updates, projects, and financial information.

a. Public Works – Water & Wastewater

- Suther states reports are in the packet. Bumgarner asks how the water situation is looking for the Arbuckle Master Conservancy Raw Water Line repair happening tomorrow. Cox states the lagoons, towers, and clear well are all full. Suther states a Genasys alert was sent out with information this morning. Suther encourages citizens if they did not receive the alert to go to the City of Davis Facebook or the Davis News Facebook and register for the Davis Genasys alerts. Porta-potties will be delivered to various areas around town. Brian McDaniel, Murray County Emergency Management, has worked on securing some water storage in case of emergency. Davis asks if there is a time estimate for the repairs. McDaniel states approximately twelve hours. There will be two crews working on the repair. It is exposed and ready to go with a crew coming from Dallas in the morning to cut the concrete line. Grinstead asks about

the timing of the alerts. Suther explained those are not the ones sent out by the City of Davis. McDaniel explained in the Genasys settings there are different ones that can be changed and customized to what alerts you would like to receive or not receive. Suther states more updates will be put out during the repair.

b. Turner Falls Park

- Suther states Turner Falls worked extremely hard to get everything back in order after the June 23rd storm. Cox, Buckaloo, Wood and Sims from the Public Works department all did different jobs to help including running equipment and hauling rock to clear the pools. Cox thanked C&C Contracting Services and Clint Grinstead for allowing the City to borrow their excavator at the last minute. With such short notice before the holiday weekend Suther stated there was a need for equipment and operators, Cox and Suther looked to see what may be available. With the last-minute help, the park was able to get everything back in order and open before the holiday weekend. Grinstead stated Pavers even sent some trucks down to help as well. Suther stated she was able to stop in and see Ron Gillihan and he did send trucks. Suther stated the work was complete in a couple of days with Turner Falls crew working one area and Public Works working another. All staff pulling together, they were able to open the pools for the 4th of July weekend. McDaniel stated the damages total does exceed the county threshold for disaster declaration. He is still waiting on the State to see if combining that periods weather events will meet the States \$7,000,000 threshold for the Governor to ask for a FEMA declaration. There is no guarantee that the City will be reimbursed for damages, but OEM is trying. Ralph Coppenbarger, City Planner, stated the City and Turner Falls damages were estimated over \$190,000 well over the county \$57,000 threshold. Suther states those are the items that must be tracked, the reason for the emergency meeting and proclamation, to possibly be reimbursed.

c. Crossbar Ranch

- Bailey with Crossbar Ranch gave an update on total admission for the last quarter for Crossbar and Gasoline Cowboys. Gasoline Cowboys has had a slow start, Bailey

believes it is due to the current temperatures. Suther states on June 23, the day of the storm, the first paid tour went out. They were halfway through their tour when the rain came. The customer's vehicle was on one side of the low water crossing and they were on the other. Ramsey took the family to Walmart to make sure they had a phone charger and bought them dinner. Ramsey went above and beyond to make it the best experience he could for the family. Bailey stated they have since posted about what a great tour it was and how they cannot wait to come back. Bailey touched on the Ultra 4 event from last weekend, stating there was a good turnout. Bailey states many attendees wanted to go to Turner Falls and thanks the Council for approving the combo ticket, she believes it will do well. Davis asks if we know the numbers yet. Bailey stated she does not have the exact number but estimates around 600 including all spectators, racers and their families.

d. 777 Zip

- Suther states 777 revenue is down a little from this time last year by approximately \$400. Grinstead asks about the year to date on 777 Zip. Suther states the total in the account is in the Treasurer's Report. Fifty percent of revenue received goes to the Capital Improvement account for 777 Zip. There have been some recent repairs out of that account. Grinstead states it is still profitable, Suther agrees it is.

Agenda Item #7 Wastewater Treatment Plant Construction Project Report.

- Suther states work is still being done on bar screens and motors. The AC is not working correctly it will not cool below 74. The water line is going in to feed the plant. LDs are still being discussed and negotiated with Walters Morgan and Garver. Davis asks if we know the issue with the AC, if it is undersized. Buckaloo believes it could be because on hot days it will not keep up.

Agenda Item #8 New Business: Discussion concerning any matter not known and not reasonably foreseeable prior to the posting of this agenda.

- None

Agenda Item #9 Adjourn.

- Motion to adjourn made by Bumgarner. Second by Oakley. Vote: Bumgarner – yes; Grinstead – yes; Oakley – yes; Jones – yes; Davis – yes.
Time: 7:39 PM
