Person/firm to make the connection: _____ Phone: _____

_____	Water Connection:	\$1800.00	
_____	Sewer Connection:	\$ 200.00	
_____	Water SDC:	\$5197.00*	
_____	Sewer SDC:	\$5036.00*	
_____	Parks SDC:	\$1066.00*	(Total for "typical" hookup = \$13299)

*The SDC quoted is for a standard 5/8" residential hookup. Water SDC costs will vary according to the size of the meter, non-residential sewer SDC costs will be based on type of facility. Note that the Parks SDC is charged on all newly-developed properties within the City limits and the price quoted is for a residential lot. Non-residential lots larger than 6000 square feet will be assigned an ERU based on the number of square feet divided by 6000 and rounded down to the nearest 6000 square foot increment.

These fees do not include any additional costs which may be incurred as part of providing service to a particular piece of property. Any such costs will be determined by the Public Works department prior to installation of service.
