This was posted in a place convenient and readily accessible to the public on **Thursday, June 15th, 2023 before 5 pm**, in accordance with the Texas Open Meetings Act (Tex. Govt. Code 551.001 et. City Council encourages positive public comment and discussion during its meeting and reserves time during most Council meetings to hear such comments either from scheduled or unscheduled members of the public. However, the Texas Open Meetings Act places certain constraints on topics raised by such members of the public where such discussions are not related to an item that has been placed on the Council's posted Agenda. The most effective way for an individual to have their voice heard and to receive feedback at a City Council Meeting is to call the City Secretary no later than the Monday at noon prior to an upcoming Council meeting and request that his or her name be placed on a future Agenda as a scheduled member of the public. When you make this request, please state specifically the subject you wish to discuss. The City Secretary will place your name on the Agenda along with a specific description of the subject to be discussed. If you fail to provide a specific description of the subject of your requested discussion, then Council will have no choice but to refer the matter to the City staff for response or defer any feedback or discussion on the matter until a future Council meeting when the subject may or may not be placed on the Agenda. Comments are limited to five (5) minutes and directed to the entire Council, not individual members, and there is no yielding of time. Engaging in verbal attacks or comments intended to insult, abuse, malign or slander any member of the governing body shall be cause for termination of speaking privileges and expulsion from the Council Chambers. This site is accessible to disabled individuals. For special assistance, please call 281-485-3048, prior to the meeting so that appropriate arrangements can be made.
