

Ordinance No.     O12-03    

**AN ORDINANCE AMENDING THE CENTRALIA MUNICIPAL CODE REGARDING  
THE PROHIBITION OF THE SALE, POSSESSION OR USE OF SYNTHETIC  
CANNABIS AND OTHER SYNTHETIC ALTERNATIVE DRUGS**

**WHEREAS**, the City of Centralia (the “City”) is a duly organized and validly existing non home-rule municipality created in accordance with the Constitution of the State of Illinois of 1970 and the laws of the State; and,

**WHEREAS**, the City has encountered products being sold at commercial businesses within its corporate boundaries containing compounds originally designed as synthetic alternatives (*i.e.*, synthetic cannabinoids, synthetic stimulants and/or synthetic psychedelic/hallucinogens) to prohibited controlled substances such as tetrahydrocannabinol (THC), cathinone, methcathinone, MDMA and MDEA; and

**WHEREAS**, the City finds that products containing such synthetic alternatives may be purchased for recreational use currently as an alternative to otherwise regulated controlled substances banned at the Federal and State levels; and

**WHEREAS**, the City finds that products containing synthetic cannabinoids, synthetic stimulants and synthetic psychedelic/hallucinogens are particularly attractive to children and young adults due to their availability in small packages at neighborhood stores at minimal costs, as well as due to the names being given to these substances which are intended to appeal to children and young adults; and

**WHEREAS**, the Drug Enforcement Administration (“DEA”) has determined that the consumption of synthetic cannabinoids can have adverse health effects such as agitation, anxiety, nausea, vomiting, tachycardia, elevated blood pressure, tremors, seizures, hallucinations, paranoid behavior and non-responsiveness; and

**WHEREAS**, the DEA has determined that consumption of synthetic stimulants affect alertness, and have been linked to severe psychotic episodes, increased heart rates, panic attacks, and hallucinations; and

**WHEREAS**, the American Association of Poison Control Centers has reported 2,700 synthetic cannabinoid-related calls to poison control centers in 49 different states; and

**WHEREAS**, the City is also aware of fatal overdoses in other Illinois communities and in other States, which are believed to have resulted from the users’ consumption of synthetic stimulants, cannabinoids or psychedelic/hallucinogens; and

**WHEREAS**, the City deems it necessary and desirable to prohibit the sale, delivery, possession and use of products containing synthetic cannabinoids, synthetic stimulants and

synthetic psychedelic/hallucinogens in order to protect the public health, safety and welfare of the citizens of the City.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL FOR CENTRALIA, ILLINOIS,** that

**Section One:** Chapter 12 of the Centralia Municipal Code be and same is hereby amended by the addition of the following section, designated Section 12-14 entitled “Sale, Possession or Use of Synthetic Cannabis and other Synthetic Alternative Drugs”.
