- (l) Kitchen hood. Each mobile food vehicle that uses propane or natural gas for cooking must be equipped with a Type I or Type II commercial kitchen exhaust hood. Additionally, each truck must be equipped with a working ventilation system that meets the requirements of NFPA 96, Chapter 5, which must be in operation at all times when the cooking equipment is being used.

- (m) Detection systems. All mobile food vehicles must be equipped with a working carbon monoxide detector. All cabinet-mounted tanks must be equipped with a leak indicator according to NFPA 1192-6.4.8.

Definitions.

The following words and phrases, when used in this article, shall have the meanings respectively ascribed to them in this section, except where the context otherwise requires.

Commissary shall mean a local health department permitted food establishment that acts as a base of operations for a food truck. The commissary provides facilities for adequate storage of food, food containers, or food supplies; equipment for adequate washing and sanitizing of food equipment and utensils; a servicing area for the sanitary disposal of liquid waste; for handling and disposal of garbage, grease, and rubbish originating from the Food Truck; facilities for filling a potable water holding tank in a sanitary manner.

Food Truck means any self-contained motorized vehicle, or self-contained trailer designed to be operated on the roadway, on/in which food for immediate consumption is prepared or from which food for immediate consumption is served.

Ice Cream Truck means a self-contained motorized vehicle or self-contained enclosed trailer designed to be operated on the roadway, from which ice cream is sold.

Manner of operation.

Certain locations prohibited. Food trucks are permitted in every zoning district except for Residential “R” Districts. However, the following exemptions are permitted:

1. Food Trucks participating in city-run events,
2. Food Trucks operating on City property or on public right-of-way owned by the City of Litchfield in all zones, except residential (R).
3. No Food Truck shall be permitted to operate within 150’ of an existing restaurant except in city sponsored activities.

Hours of operation. Food trucks shall only operate between the hours of 7:00 a.m. and 10:00 p.m.

Sale of alcoholic beverages. Under this license, the sale of alcoholic beverages is not allowed in the City of Litchfield.

Vehicle appearances and maintenance. Food Trucks shall be kept in good mechanical and structural condition. Food Trucks shall have a clean exterior and interior and shall be equipped with signs to alert traffic to proceed with caution past the truck while the truck is serving customers. Each vehicle shall have the company name affixed to it in a professional, workmanlike matter and in letters that are a minimum of six inches in height. The company name shall be affixed to each side and rear of the vehicle. Both the generator and fuel tank shall be affixed to the vehicle and shall not be placed on the ground.

Health department permit required. Any Food Truck operating in the City of Litchfield shall be properly permitted by the county health department. All Food Trucks shall be subject to the health code and all rules and regulations promulgated by the health commissioner.

Operation. Every Food Truck shall indemnify and hold harmless the City of Litchfield for all suits or actions brought against the City for or on account of any injuries or damages received or sustained by any party of parties for or from the said vendor. Further, every vendor shall obtain and maintain insurance coverage as required by the City. This insurance shall be in force at all times during the course of operation within the City. The Food Truck shall not be stored at a personal residence within the City of Litchfield.

Peripheral setup. No tents, tables, chairs, or other materials shall be placed at the designated vending area. Signage shall be limited to signs permanently or magnetically affixed to the food truck. Food trucks shall only be permitted to connect to city water, electric, or other utility to conduct business with written consent of the City. Food Trucks must also provide for the sanitary collection of all refuse, litter, and garbage generated during food preparation and service by the Food Truck and by patrons using the service and remove all such waste materials from the location before the Food Truck departs.

Public health standards. No food, food products, or beverages for public consumption shall be kept, offered for sale, transported, or handled except in accordance with the rules and regulations of the State of Illinois and the county health department.

Suspension and revocation of license. Suspension or revocation of a license shall be done in accordance with Chapter 10, Section 10.99 of the Code of the Ordinances of the City of Litchfield.

Fire safety requirements. All food trucks must meet the requirements set forth in Chapter 151 of the Code of Ordinances of the City of Litchfield.

Application Requirements.

- * Food Trucks seeking a license to operate within the City of Litchfield shall provide a completed application to the City Clerk's office. A fee shall be paid in accordance with the City's adopted fee schedule, prior to issuance of license.

Annual license.

The license for a Food Truck shall be valid for a period of 12 months and shall be renewed annually in July. Licenses for applications received throughout the year shall be issued and paid for on a pro-rated basis. Said license shall be displayed so that it is visible to customers.

License non-transferable.

Any license issued for the operation of a Food Truck shall not be transferable.

The City also requires food trucks contact the Mayor's Office describing the location and hours of operation at least 24 business hours prior to selling from any permitted site in the City. Food Trucks may only operate in the same location five (5) times per month and are restricted to the hours of 7:00 a.m. to 10:00 p.m.
