9 such procedures, the licensee must release the vehicle to the vehicle
10 owner without payment and seek payment from the vehicle owner once
11 the credit card or debit card machine begins working again or otherwise
12 becomes available. The foregoing provision requiring the release of a

6 vehicle is being towed or immobilized. The photographs must be time and
7 date stamped. The above-mentioned photographs are not required when
8 towing or immobilizing a vehicle upon the instruction of a police officer or
9 other government agency. If the licensee fails to take and retain any of
10 the above-mentioned photographs, the licensee, in addition to any fines
11 imposed by the Division, must reimburse the vehicle owner the applicable
12 towing fee.

13 (9) Not tow or immobilize a vehicle when a visible, valid, and paid receipt is

8 for services to immobilize or tow vehicles shall be subject to the requirement that the

15 **Sec. 20-176.20. Additional nonconsent towing requirements.**

16 (a) Persons who provide nonconsent towing services shall inform any person
