WHEREAS, O.C.G.A. Section 36-35-4.1 and Charter Section 5-202 define the process following the decennial census as “reapportionment,” however, this terminology is not entirely accurate inasmuch as reapportionment is said to mean relocation of Federal and state representative seats, and does not entail the actual redrawing of district lines within a state or municipality; and

WHEREAS, “redistricting,” which is defined as the redrawing of new political boundaries or district lines to appropriately and proportionately distribute precincts within a political subdivision in a manner that is reflective of population changes, more accurately describes the process of redrawing the council districts within the City of Atlanta; and

WHEREAS, it is the intent of the Council that the term “redistricting” should be included in the description of the reapportionment process affecting the Council Districts within the City of Atlanta; and

WHEREAS, the next general municipal election shall be held on Tuesday, November 4, 2025, to elect a mayor, city council president, city council members, and to retain municipal court judges; and

WHEREAS, in accordance with the population data from the 2020 United States Decennial census, in accordance with all legal requirements including, but not limited to the Voting Rights Act, the constitutional one-person-one-vote requirements, statutory contiguity requirements as set forth in O.C.G.A. § 36-35-4.1(b), and in order to provide Atlanta’s citizens with fair and equal representation among its districts, certain adjustments to the boundary descriptions of Council Districts 1 through 12 were made as required by City of Atlanta Charter Section 5-202; and

WHEREAS, these adjustments are reflected in the new Council Districts Map (the 2022 Council Districts Map) with related Population Summary Report (collectively the “2022 Council Districts Map and Data”, which are attached hereto as Exhibit “A”); and

WHEREAS, it is the desire of the Atlanta City Council that the boundaries of the Atlanta City Council districts be reapportioned, or redistricted in accordance with O.C.G.A. Sec. 36-35-4, Charter Section 5-2020, and the 2020 United States Decennial Census as shown on the 2022 Council Districts Map and Data.

THE CITY COUNCIL OF THE CITY OF ATLANTA, GEORGIA, HEREBY ORDAINS, as follows:

SECTION 2: That pursuant to Charter Section 5-202 (a) and O.C.G.A. Section 36-35-4.1(a) the reapportionment of districts shall be effective for the election of members to the City Council at the 2025 regular general municipal election.

SECTION 3: That effective for the election of members to the City Council at the 2025 regular general municipal election, the existing boundary descriptions of Council Districts 1 through 12 as identified in Charter Section 5-201 and as specifically described and set forth in Appendix 1 to the Charter of the City of Atlanta shall be deleted in their entirety and that the new Official Council Districts Map identified as the 2022 Council Districts Map and Data (attached hereto as Exhibit “A” and made part hereof) along with the Plan Components Report (outlining voting tabulation districts/VTDs) and the new boundary descriptions of Council Districts 1 through 12 (attached hereto as Exhibit “B” and made a part hereof) be inserted in lieu thereof as Appendix I to the Charter, as required by O.C.G.A. Section 36-35-4.1(b) and section 5-202 of the Charter of the City of Atlanta.

SECTION 4: That except as specifically provided herein, this ordinance shall be effective immediately upon approval.

SECTION 5: A copy of this proposed amendment to the Charter of the City of Atlanta, Georgia 1996 Ga. L. (Act No. 1019), p. 4469, et seq. as amended, shall be filed in the Office of the Municipal Clerk and the offices of the Clerks of the Superior Courts of Fulton and DeKalb Counties, and that “Notice of Proposed Amendment to Charter of the City of Atlanta, Georgia” (attached hereto as Exhibit “C” and made a part hereof), be published in the official organ of the county of the legal situs of the City of Atlanta or in a newspaper of general circulation in the City of Atlanta once a week for three weeks within a period of 60 days immediately preceding its final adoption, and that a copy of said advertisement be attached to this ordinance prior to its final adoption by the Council of the City of Atlanta.
