(PUBLIC HEARING HELD 7/9/24)**

WHEREAS, it is the stated policy of the City of Atlanta (the “City”) to protect the health, safety, and welfare of its residents; and

WHEREAS, it is determined to be necessary for the protection of public health, welfare, and convenience of the City to fix and collect solid waste service taxes, assessments, service fees, and charges billed upon the property owners within the City; and

WHEREAS, the Commissioner of the Department of Public Works, after extensive review of a Solid Waste Services Revenue Sufficiency and Cost of Service Report prepared for the City of Atlanta, concluded that to remain financially sustainable, an adjustment to the solid waste service fees and charges of 3.5 percent (3.5%) in FY2025, an additional 2 percent (2.0%) in FY2026, and an additional 2 percent (2.0%) in FY2027 is necessary; and
