

Section 6-117(a) of the Official Code of Cobb County, Georgia is amended by adding a new subsection (a)(8) and by amending subsection (b) to read as follows:

(a) No alcoholic beverage license may be issued where the application or other evidence shows any of the following conditions to exist:

...

(8) That the alcoholic beverage license is sought for use at a sexually oriented business, as defined in chapter 78, article III, division 8 of this code.

(b) Notwithstanding the circumstances set out in subsections (a)(1) through (a)(7) of this section, the license review board or the board of commissioners may waive such circumstances and grant a license. No waiver may be granted for the circumstance set out in subsection (a)(8).
