

**RESOLUTION TO AUTHORIZE BALLOT PROPOSAL TO RENEW
MILLAGE FOR LOCAL STREET AND ROAD REPAIR AND REPLACEMENT**

At a Regular Meeting of the City Council of the City of Warren, County of Macomb, Michigan, held on April 23rd, 2024, at 7 p.m. Eastern Daylight Savings Time, in the Council Chamber at the Warren Community Center Auditorium, 5460 Arden, Warren, Michigan.

The following preamble and resolution were offered by Councilmember _____
_____ and supported by Councilmember _____:

The City of Warren’s ongoing program to upgrade and replace local roads and streets is a critical public service that serves residents, attracts new residents and sustains the quality of neighborhoods.

Local communities shoulder the cost for local road repair or replacement due to lack of funding from the State of Michigan or County of Macomb.

The City of Warren must continually raise the revenues to support the ongoing repair or replacement of local roads, and to project long and short-term construction and financing.

At a special held on August 3, 2021, the electors in the City of Warren adopted an amendment to the City Charter to authorize the levy of an additional 2.0349 mills for a five-year period for local roads and streets. This millage expires with the July 2025 levy. Factoring the Headlee Amendment rollback, the actual levy is 1.9842 for 2024, and would be even lower in 2026.

The additional millage levy has provided the City with resources to effectively respond to residents' concerns, repair road defects in neighborhoods, avoid deterioration and major reconstruction, and has provided overall improvement in the City's local roads and surface condition. This funding would also help fund improvements to paved or parking areas of parks or public buildings.

The Mayor, Controller, Budget Director and Public Service Director recommending that the millage be renewed for a period of 20 years to support long-range planning and management of the roads, secure advance contractual commitments, and give residents definitive and clear information on road repair scheduling and logistics. Securing preferential financing rates would be another benefit.

THEREFORE, IT IS RESOLVED, that in accordance with Act No. 279 of the Public Acts of Michigan, 1909, as amended, Section 9.1 of the Charter of the City of Warren, which reads as follows:
