

ORDINANCE NO. 30-1050

AN ORDINANCE TO AMEND THE WARREN CODE OF ORDINANCES, APPENDIX A ZONING, ARTICLE IV, SECTION 4.12 RELATING TO WASTE RECEPTACLES

THE CITY OF WARREN ORDAINS:

**SECTION 1.** That Appendix A- Zoning, Article IV, Section 4.12 of the Code of Ordinances of the City of Warren, Michigan,

**WHICH PRESENTLY READS AS FOLLOWS:**

**Section 4.12 – Waste receptacles.**

The occupant or occupants of every building where *waste* accumulates, and in case of a semidetached or terrace building, the owner, lessee or agent, shall cause to be provided for said building, kept clean and in place, proper *receptacles* for said wastes, either stationary or portable. No occupant, whether owner, lessee or agent, shall permit the storing or accumulation of *rubbish* or *waste* or permit it to be kept in open yards, or lots unless placed in any accessory building. In no case shall such *receptacles* be stored in any side or front yard.

For *garbage*, *receptacles* may be portable, so maintained as to be water tight, and vermin proof and not over 20 gallons' capacity. *Garbage receptacles* shall be adequate in size and number to hold one week's accumulation. Portable *receptacles* shall be of substantial metal construction provided with handles or bails and a tight fitting cover.

**IS HEREBY AMENDED TO READ AS FOLLOWS:**

**Section 4.12 – Waste receptacles.**

The occupant or occupants of every building where *waste* accumulates, and in case of a semidetached or terrace building, the owner, lessee or agent, shall cause to be provided, and the City may provide, for said building, kept clean and in place, proper *receptacles* for said wastes, either stationary or portable. No occupant, whether owner, lessee or agent, shall permit the storing or accumulation of *rubbish* or *waste* or permit it to be kept in open yards, or lots unless placed in any accessory building. In no case shall such *receptacles* be stored in any front yard. Receptacles may be stored on the side or rear yard so-long as they are out of sight, covered or partially shielded from view of the general public.

For *garbage*, compost and recycling container shall be portable, constructed of durable plastic or substantial metal construction for use with automated commercial collection systems with hinged lids, clearly color coded/marked as to it's use; "COMPOST", "GARBAGE" or RECYCLING" so maintained as to be water tight, and vermin resistant and may be of 32 – 96 gallon capacity. *Garbage receptacles* shall be adequate in size

and number to hold one week's accumulation. Portable *receptacles* shall have handles or bails and a tight fitting cover.

**SECTION 2.** This Ordinance shall take effect on October 2, 2019.

I HEREBY CERTIFY that the foregoing Ordinance No. 30- 1050 was adopted by the Council of the City of Warren at its meeting held on September 10, 2019.
