NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WEST COVINA, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Repeal and Replacement of Article II of Chapter 13. Article II (Health Code) of Chapter 13 (Health and Sanitation) of the West Covina Municipal Code is hereby repealed and replaced as follows:

ARTICLE II. – HEALTH CODE

Sec. 13-20. – Title.

This article shall be known as the West Covina Health Code.

Sec. 13-21. – Purpose.

It is the intent of this article to provide regulations and standards for certain operations, enterprises or activities which, if not regulated, may adversely affect the public health. It is further the intent to provide regulations and standards that equal or exceed all applicable state laws. It is declared that if this article's provisions do not encompass all of the statutes or state regulations, that such statutes and regulations are included and required for conformance as a part of this article. These regulations and standards are established to provide a healthful community living and working environment; to reduce conditions favorable to the harboring and breeding of insects, rodents and other vermin; to prevent the spread of disease and related human discomfort; to reduce the hazards of fire; and to prevent unsightliness which may result in the depreciation of property values and interfere with the comfortable enjoyment of life.

Sec. 13-22. – Adoption of county health code and licensing provisions.

Subject to the amendments, deletions, and additions set forth in this article, the provisions of Division 1 (Health Code) of Title 11 (Health and Safety) of the Los Angeles County Code, including the rules and regulations appended thereto in accordance with Section 11.02.160 of said Code, and the provisions of Division 1 (Public Health Licenses) of Title 8 (Consumer Protection, Business and Wage Regulations) of the Los Angeles County Code, are adopted by reference as the West Covina Health Code.

A certified copy of Division 1 of Title 11 of the Los Angeles County Code as adopted by the city, including the rules and regulations appended thereto, and of Division 1 of Title 8 of the Los

Angeles County Code as adopted by the city, shall be kept on file and available for public inspection during normal business hours in the office of the city clerk.

Sec. 13-23. — Interpretation.

The following rules shall govern the interpretation of the provisions of this article and of the provisions adopted by reference herein, including the related rules and regulations:

- (a) As used herein, "County Health Code" refers to Division 1 of Title 11 and Division 1 of Title 8 of the Los Angeles County Code, as adopted and amended in this article.
- (b) Unless the context otherwise requires, whenever the word "county" appears in the County Health Code, it shall be interpreted and deemed to mean "city."
- (c) Unless the context otherwise requires, whenever the word "Los Angeles" appears in the County Health Code, it shall be interpreted and deemed to mean "West Covina."
- (d) Unless the context otherwise requires, whenever the phrases "county health officer" or "director" appear in the County Health Code, they shall be interpreted and deemed to mean the director of the city's health department.
- (e) The provisions of the County Health Code and of the West Covina Municipal Code shall be construed so as to supplement one another. If any apparently conflicting or inconsistent provisions may not reasonably be so construed, the provisions of the West Covina Municipal Code shall prevail.
- (f) The definition or regulation of any activity, condition, or structure in the County Health Code shall not be interpreted or deemed to allow the conduct of any such activity, or the construction or maintenance of any such condition or structure, as may be otherwise prohibited or restricted by any other laws of the city heretofore or hereafter adopted.

Sec. 13-24. — Numbering of code.

To provide consistency between this article and the provisions of the Los Angeles County Code adopted herein, the actual section of the Los Angeles County Code shall be retained in this article and shall be preceded by the prefix 13-20-1. For example, a violation of the posting requirements for letter grades, Section 8.04.752 of the Los Angeles County Code, shall be cited as a violation of this Code, Section 13-20-1-8.04.752.

Sec. 13-25. — Amendments to County Health Code.

- (b) Upon recordation of a certificate of lien described herein, an additional penalty fee of fifteen dollars (\$15.00) shall be paid by the licensee or permittee.

SECTION 2. Environmental Compliance. The City Council hereby finds that it can be seen with certainty that there is no possibility the adoption and implementation of this Ordinance may have a significant effect on the environment because it generally maintains the status quo, and is merely a mechanism to change which entity enforces applicable law. The Ordinance is therefore exempt from the environmental review requirements of the California Environmental Quality Act pursuant to Section 15061(b)(3) of Title 14 of the California Code of Regulations.

SECTION 3. Severability.
