Dear Stevenson Fund Committee Members:

Once again, thank you for your faithful support of the **Teachers' Warehouse of Johnson County** over the years. The Stevenson Fund has supported our efforts to provide educational resources for teachers and students in Johnson County, Missouri.

The **Teachers' Warehouse of Johnson County** is requesting a \$500.00 gift from the Stevenson Fund.

Teachers from the Warrensburg R-VI School District, along with the six other public school districts in Johnson County, Missouri can shop for free, for supplemental resources, new supplies, craft items, recyclables, and many other items for use in the classrooms.

As a not-for-profit program that is staffed solely by volunteers, we depend on monetary gifts from organizations, individuals, and funds such as yours to enable us to continue to provide new supplies to teachers and students.

A \$500.00 award from the Stevenson Fund would have a direct and positive influence on the educational experiences of children in our community, and we thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Rhonda Poe".
