| Fiber Internet Monthly Rates | |
|---|--|
| Dedicated Internet cost ¹ | |
| 25 Mb up/down | \$325.00 |
| 50 Mb up/down | \$375.00 |
| 100 Mb up/down | \$450.00 |
| IPv4 address rental ² | |
| Fixed IPv4 address | \$5.00 each |
| Dark Fiber Connection³ | |
| Dark Fiber drop (connection) | \$250.00 – per location |
| Potential Customer Costs | |
| Service call for internet outage⁴ | |
| Crew deployment cost | \$75.00 – per deployment |
| Dark Fiber Installation Cost ⁵ | Based on build costs in excess of \$2,500.00 |

¹ Dedicated internet costs approved by City Council – *Spring 2017*

² When business customers request more than the traditional amount of five (5) IPv4 IP addresses per location, a rental fee is charged for each additional IPv4 address. These prices match those of other ISPs in the area.

³ Dark fiber billing cost based on existing Sho-Me Fiber rates for Dark Fiber connections.

⁴ When an internet outage requiring a City of West Plains Fiber Department crew deployment is caused by the customer's equipment, and not by the City of West Plains Fiber Department's network or equipment, the customer will be charged a fee for the crew deployment. This rate is in line with existing call out rates for departments such as the Electric Department.

⁵ Dark fiber installation costs will be billed to the customer for installation costs greater \$2,500.00. Costs will be calculated; using material and labor costs of the build.
