29  
30 (B) Prohibition of right-of-way canvassers and solicitors

31 (l) Findings; purpose; intent.

32  
33  
34 (a) The City Commission of the City of Wilton Manors desires to  
35 adopt an ordinance restricting right-of-way canvassers and solicitors to  
36 certain streets and roadways located in the City because such canvassers  
37 and solicitors pose a danger to themselves and the public at large by  
38 interfering with the safe movement of normal vehicular traffic; and

**ORDINANCE NO. 2014-0008**

1  
2 (b) According to the Florida Department of Highway Safety and  
3 Motor Vehicles 2007 Florida Traffic Crash Statistics Report, 530  
4 pedestrians were killed on Florida roadways in 2007; 65 of those  
5 pedestrians were killed on roadways in Broward County; and  
6

7 (c) Based upon statistics collected by the Surface Transportation  
8 Policy Project, the Miami-Fort Lauderdale area is one of the most  
9 dangerous areas in the United States for pedestrians; and  
10

11 (d) Numerous types of right-of-way canvassers and solicitors may  
12 seek to operate within the City of Wilton Manors, including, but not limited  
13 to, children, adolescents and adults who seek to collect money for school  
14 and community activities; vendors who sell flowers, newspapers and  
15 other products; and people who seek donations or distribute written  
16 information; and  
17

18 (e) Right-of-way canvassers and solicitors approach motorists and  
19 passengers in motor vehicles engaged in travel on roads, and are  
20 particularly susceptible and vulnerable to serious injury, or death due to  
21 the speed and number of motorists who operate vehicles on busy roads  
22 within the city; and  
23

24 (f) Roads are primarily designed for vehicular traffic and are not  
25 suited to safely accommodate right-of way canvassers and solicitors; and  
26

27 (g) According to 2008–2012 statistical data collected by  
28 Florida Department of Transportation, the city ranked 13<sup>th</sup> in the  
29 state among Florida’s 121 small cities (population 3,000 –  
30 14,999) for having the most pedestrian related injury and  
31 fatality accidents. Neighboring cities ranked 2<sup>nd</sup> and 8<sup>th</sup> in their  
32 respective classifications; and Broward County ranked 2<sup>nd</sup> in the  
33 state in having the most pedestrian related injury and fatality  
34 accidents; and  
35

36 (h) According to the Wilton Manors Police Department, 93% of all  
37 traffic and pedestrian accidents within the city occur on the subject  
38 roadways identified in Section (C), including 94% of all pedestrian-  
39 related accidents; and

**ORDINANCE NO. 2014-0008**

1  
2 (i) The presence of right-of-way canvassers and solicitors interferes with  
3 the safe movement of normal vehicular traffic; and

4  
5 (j) The road network in the City is substantially burdened by a high  
6 volume of traffic, and road design frequently includes complex vehicle  
7 turn movements that demand a driver's strict attention; and

8  
9 (k) It is the intention of the City Commission to use the least  
10 restrictive means to advance the significant governmental interests of  
11 traffic safety and public safety and, consequently, the City staff analyzed  
12 each of the major roads within the City and determined that the roads  
13 listed in subsection (C) below present an increased and significant danger  
14 for use by distracted drivers, pedestrians and right-of-way canvassers  
15 and solicitors and pose the greatest threat to traffic and public safety in  
16 reference to activities and use by right-of-way canvassers and solicitors,  
17 and therefore the City Commission has determined that such activities  
18 and use by right-of way vendors and solicitors shall be prohibited on the  
19 roads listed in subsection (C); and

20  
21 (l) It is the finding of the City Commission that many other  
22 alternative channels of communication (other than right-of-way  
23 canvassing and solicitation on the prohibited roadways) exist for persons  
24 who seek to exercise their First Amendment freedoms, such as, but by no  
25 means limited to, solicitation of funds or distribution of literature through  
26 the mail or at alternate locations (such as houses of worship, shopping  
27 areas and special events); the sale and/or distribution of newspapers  
28 through home or office delivery, vending machines and retail stores;  
29 and the sale of goods and services at retail stores, through the internet  
30 and from vending machines; and

31  
32 (m) The City Commission desires to preserve and protect the personal  
33 safety and quality of life of its residents and of those who use streets  
34 within the City, both pedestrians and motorists alike; and

35  
36 (n) The City Commission has reviewed the proposed regulations  
37 provided by this section and finds that such regulations accomplish the  
38 purposes intended while utilizing the least restrictive means; and

13  
14           (E) Enforcement and Penalties.

15  
16           (1) It shall be the duty of any police officer of the city to require any person

25           the penalties prescribed by the county judge. Each day of violation of  
26           any term or provision of this article shall constitute a separate and  
27           distinct violation. Any person who violates this section shall further be  
28           subject to the code enforcement provisions of Chapter 2, Article III  
29           Division 2 of the City Code, and the penalties set forth in Section 1-15  
30           of the City Code, as well as any other penalties provided by law.

31  
32  
33           **Section 4:** If any part, sentence, paragraph, Section or clause is adjudged  
34           unconstitutional or invalid by a court of competent jurisdiction, the remainder of the  
35           Ordinance shall not be affected thereby. In the event of a subsequent change in
