BE IT ORDAINED by the Council of the City of Jacksonville:

Section 1. **Amending Section 380.108 (Operation of solid waste disposal or management facility), Part 1 (Certificate of Public Convenience and Necessity), Chapter 380 (Solid Waste Management),** ***Ordinance Code***. Section 380.108 (Operation of solid waste disposal or management facility), Part 1 (Certificate of Public Convenience and Necessity), Chapter 380 (Solid Waste Management), *Ordinance Code*, is hereby amended to read as follows:

CHAPTER 380 – SOLID WASTE MANAGEMENT

PART 1. – CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY

* * *

Sec. 380.108. – Operation of solid waste disposal or management facility.

The following regulations apply to the operation of a solid waste disposal or management facility:

* * *

(q)   Transfer stations operating in Duval County which ~~shall only~~
accept waste that is required to be disposed of in a Class I
facility shall only accept waste of those types that has been
generated in Duval County.~~or any solid waste or recoverable~~
~~materials collected by municipally-contracted haulers as part~~
~~of municipal collection services within Duval County.~~ Waste
that has been generated inside or outside of Duval County
that is not required to be disposed of in a Class I facility
is not restricted from delivery to a transfer station facility
located in Duval County if: (1) the waste is not commingled
with waste that is required to be disposed of in a Class I
facility, and (2) the transfer station facility is properly
permitted to receive the types of waste not required to be
disposed of in a Class I facility. Waste generated outside
of Duval County and received at a transfer station facility
located in Duval County which has not been commingled with
waste required to be disposed of in a Class I facility shall
not be directed to a Class I disposal facility owned by the
City. Notwithstanding the above, any solid waste collected
by municipally-contracted haulers as part of municipal
collection services within Duval County shall not be
restricted from bringing wastes to a transfer station or be
limited to where this material is ultimately directed for
disposal or recycling so long as the municipal wastes are not
commingled with non-municipal wastes not required to be
disposed of in a Class I facility. Municipally-contracted
haulers for purposes herein are defined as the haulers
contracted by the Town of Baldwin, the City of Atlantic Beach,
the City of Jacksonville Beach, the City of Neptune Beach and
the City of Jacksonville for municipal collection services.

Section 2.   **Codification Instructions.** The Codifier and the Office of General Counsel are authorized to make all chapter and division "tables of contents" consistent with the changes set forth herein. Such editorial changes and any others necessary to make the *Ordinance Code* consistent with the intent of this legislation are approved and directed herein, and changes to the *Ordinance Code* shall be made forthwith and when inconsistencies are discovered.

Section 3.   **Effective Date.** This Ordinance shall become effective upon signature by the Mayor or upon becoming effective without the Mayor's signature.
