## ORDINANCE 538

### Waiving Wisconsin Statute 62.15 (1) of the public bidding law.

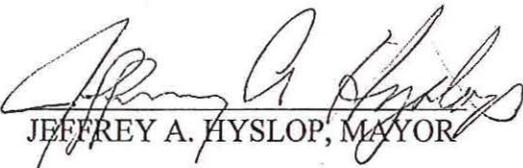

Whereas the City of Eagle River has a developer agreement with S.C. Swiderski where they are required to install sewer and water to the project site; and,

Whereas, the portion of sewer from the intersection of Ohio and Sunfield going West 300 feet on Ohio is collapsing and is at the incorrect elevation to maximize the development; and,

Whereas, the contractor for S.C. Swiderski is mobilized and needs to hook up to the collapsed sewer pipe to complete the development.

Now, therefore, the City of Eagle River Council hereby waives the public bidding requirement for projects between \$5000 and \$25,000 outlined in Wisconsin Statute 62.15 (1) requiring public bidding and hereby engages Wisconsin Statute 62.15 (1b) declaring this a public emergency to properly install the 300 feet of pipe to the proper elevation, eliminate the collapsed portion of pipe and reinstall the laterals already installed not to exceed \$30,000 total cost.

Dated this 30<sup>th</sup> day of September, 2015

  
JEFFREY A. HYSLOP, MAYOR
