

## **ORDINANCE NO. 1751**

### **AN ORDINANCE ADOPTING CODES 4-337, 4-411, AND 4-1114 FOR CONTINUED EDUCATION FOR MECHANICAL, PLUMBING AND ELECTRICAL LICENSES**

**BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GOODLAND, KANSAS:**

**SECTION 1. The City of Goodland hereby amends Article III of the Electrical Code to adopt Section 4-337- Continued Education, to read as follows;**

All electrical contractors require all persons receiving such license annually to obtain not less than 12 hours biennially or six hours annually of continuing education approved by such local governing body. Not less than six hours biennially or three hours annually shall consist of code education. Nationally recognized trade association, community college, technical school, technical college or other provider approved by the local governing body. All hours of education shall consist of training relative to construction, maintenance and code update training. The governing body shall not impose any restriction on the number of providers of such continuing education.

**SECTION 2. The City of Goodland hereby amends Article IV of the Plumbing code to adopt Section 4-411-Continued Education, to read as follows;**

All plumbing contractors require all persons receiving such license annually to obtain not less than 12 hours biennially or six hours annually of continuing education approved by such local governing body. Not less than six hours biennially or three hours annually shall consist of code education. Nationally recognized trade association, community college, technical school, technical college or other provider approved by the local governing body. All hours of education shall consist of training relative to construction, maintenance and code update training. The governing body shall not impose any restriction on the number of providers of such continuing education.

**SECTION 3. The City of Goodland hereby amends Article XI of the Mechanical Code to adopt Section 4-1114- Continued Education, to read as follows;**

All mechanical contractors require all persons receiving such license annually to obtain not less than 12 hours biennially or six hours annually of continuing education approved by such local governing body. Not less than six hours biennially or three hours annually shall consist of code education. Nationally recognized trade association, community college, technical school, technical college or other provider approved by the local governing body. All hours of education shall consist of training relative to construction, maintenance and code update training. The governing body shall not impose any restriction on the number of providers of such continuing education.

**SECTION 4.** This ordinance shall be in force and take effect upon publication in the Goodland Star News.

**PASSED AND ADOPTED** this 6<sup>th</sup> day of June, 2022, by the Governing Body of the City of Goodland, Kansas.
