WHEREAS, Congress appropriated more than \$18 million dollars since 1998 to the Kenai Peninsula Borough for wildland mitigations, hazardous tree removal, and other projects designed to minimize the devastation caused by the spruce bark beetle; and

WHEREAS, the congressional appropriations did not restrict the use of interest on earnings from the above described grants; and

WHEREAS, approximately \$322,000 in interest income remains from the above-described grant funds; and

WHEREAS, the Anchor Point Safe Water Corporation has requested funds to purchase and install an emergency generator; and

WHEREAS, with the addition of an emergency generator the Anchor Point Safe Water Corporation Water Treatment and Distribution Plant can provide emergency water distribution to critical facilities including the Anchor Point Elementary School and Anchor Point Fire and Emergency Medical Service Area facilities; and

WHEREAS, it is consistent with the purposes of these grants to appropriate interest income to emergency response facilities for the unincorporated community of Anchor Point;
