**ORDINANCE NO. 3201-19**

**MOBILE FOOD VENDER ORDINANCE**

**AN ORDINANCE OF THE CITY OF BALCH SPRINGS, TEXAS AMENDING CHAPTER 38 OF THE CODE OF ORDINANCES BY AMENDING DIVISION 7 TO PROVIDE FOR THE PERMITTING AND REGULATION OF MOBILE FOOD VENDORS DOING BUSINESS IN THE CITY; PROVIDING FOR FINDINGS OF FACT; INSPECTION; PROVIDING AN EFFECTIVE DATE; A REPEALING CLAUSE; A SEVERABILITY CLAUSE; AND PROPER NOTICE AND MEETING.**

**WHEREAS**, Division 7 of Chapter 38 of the City of Balch Springs Code of Ordinances provides for the permitting and regulation of Catering Trucks, which are motor vehicles that sell prepackaged edible items in the City; and

**WHEREAS**, it is the desire of the City Council of Balch Springs to amend Division 7 to allow for the permitting and regulation of Mobile Food Vendors, which shall allow the sale of other types of edible items, including foods cooked or prepared in the Mobile Food Vendor vehicle;

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BALCH SPRINGS, TEXAS:**

**1. FINDINGS OF FACT**

All of the above premises are hereby found to be true and correct legislative and factual findings of the City Council, and are hereby approved and incorporated into the body of this Ordinance as if copied in their entirety.

**2. AMENDMENT**

Division 7 of Chapter 38 of the Balch Springs Code of Ordinances is hereby amended to replace the current language so that the Division shall hereafter read as follows:

**DIVISION 7. – MOBILE FOOD VENDORS AND CATERING TRUCKS**

**Sec. 38-371. - Applicability; permit required.**

(a) This division shall apply to the sale and conveyance of food from mobile food vendors and catering trucks within the city.

(b) All mobile food vendors and catering trucks shall have a valid food service permit, and such permit shall be maintained in the catering truck at all times. The permit shall bear the name of the company, owner or manager, the vehicle number and vehicle registration plate number (license plate). Such permit shall remain valid for a period of one year.

**Sec. 38-372. – Definitions**

- (a) Catering Truck: A Mobile food vendor that sells prepackaged, single-service size, wholesome and unadulterated foods obtained from an approved source. Foods shall be hermetically sealed, labeled as to the type of food, location of preparation and date of preparation.
- (b) Mobile food vendor (MFV). Any business which sells edible goods from a non-stationary location within the city, including edible goods prepared or cooked in the MTV. The term shall include:
- (1) Concession trailer. A vending unit which is pulled by a motorized unit and has no power to move on its own.
  - (2) Concession carts. Mobile vending units that must be moved by nonmotorized means.
  - (3) Mobile food truck. A self-contained motorized unit selling items defined as edible goods.

**Sec. 38-373 - Permit required; issuance**

- (a) Application. The MFV permit application would contain the following information:
- (1) Name of the applicant.
  - (2) Phone number and driver's license number of the business owner/operator
  - (3) Sales tax number with a copy of the sales tax permit.
  - (4) A copy of the health department permit.
  - (5) Legal name of the business or entity.
  - (6) Signed permission from the property owner where the MFV will operate.
  - (7) Description of food being sold.

- (b) Fee. The application fee for a mobile food vendor (MFV) shall be as set forth in the City's fee schedule. Each mobile food vendor unit shall be permitted separately.
- (c) Expiration. Mobile food vendor permits are valid for one year from the date of issue.
- (d) Occupying site prior to receiving permit. A permit will not be issued if the MFV occupies the proposed site or sites prior to receiving a permit.
- (e) Number of units. No more than one MFV unit (truck, trailer, or cart) is allowed per permit.
- (f) Issuance. MFV permits are issued by the city manager, or authorized representative.

#### **Sec. 38.374 - Location**

- (a) MFVs are allowed in areas zoned as commercial, retail, central business district, industrial, or at construction sites
- (b) MFVs are not allowed in any area zoned as single-family residential, two-family residential, multifamily residential, manufactured home residential, or office district. Exceptions to this prohibition are for ice cream carts and trucks.
- (d) MFVs are not allowed on any public right-of-way, state highway easement, or state property.
- (e) MFVs are not allowed on any property unless specific written permission is provided prior to the occupancy of the site.

#### **Sec. 38.375 - Hours of operation**

Operation only between the hours of 7:00 a.m. and 9:00 p.m.

#### **Sec. 38.376 - General regulations; termination of permit**

- (a) The MFV may not occupy the approved site location except on the days of actual operation.
- (b) All persons who work at and are involved in the preparation, storage, or service of food at an MFV shall have and maintain valid a Food Handler Certification card issued by an accredited training provider.
- (c) Excessive noise generation of any kind is not allowed from MFVs.

(d) The MFV unit must not unreasonably reduce or restrict parking spaces, fire lanes or traffic flow.

(e) The MFV applicant must remove all trash daily, and not allow any trash to accumulate at any time.

(f) The MFV is not permitted or allowed to connect to any permanent utilities except for electricity and water. Any connection to the domestic water supply must be protected by an approved backflow device and only be connected when water is flowing to fill on-board water tanks. The connection to the domestic water supply must be disconnected at any time the water is not actually flowing to the MFV unit.

(g) The permit must be displayed in a conspicuous place where it can be read by the general public on the MFV unit.

(h) Violation of any MFV regulation, application and permit process, hours of operation, or duration of operation is cause for immediate termination of the MFV permit. Any applicant or MFV unit permit which is terminated for cause may not apply for re-issuance until the basis for termination of the previous permit is resolved.

**Sec. 38.377 - Maintenance; conveyance of food; condiments; waste.**

(a) *Food storage areas.* All food storage areas in MTVs within the city shall be maintained free of rust and corrosion and shall be clean and protected from contamination.

(b) *Food items.* All foods conveyed from catering trucks shall be prepackaged, single-service size, wholesome and unadulterated. All foods shall be obtained from an approved source. Potentially hazardous foods shall be hermetically sealed, labeled as to the type of food, location of preparation and date of preparation. All potentially hazardous food shall be disposed of at the end of each day of operation. Sale of certain foods, such as boiled eggs, may be prohibited during months in which daily temperatures exceed 90° Fahrenheit.

(c) *Condiments.* All condiments shall be served from MTVs in single-service containers, or approved, commercially-filled, dispenser-type containers. Bulk dispensers, bottles or other containers shall not be permitted for conveyance from catering trucks of any condiment.

(d) *Food handling.* All potentially hazardous food shall be disposed of at the end of each day of operation. Sale of certain foods, such as boiled eggs, may be prohibited during months in which daily temperatures exceed 90° Fahrenheit. All hot potentially hazardous foods shall be

maintained at 135° Fahrenheit or above in a mechanical warming oven. All cold potentially hazardous food shall be maintained at 41° Fahrenheit or below.

(e) *Waste retention.* If liquid waste results from the operation of a MTV, the waste shall be stored in a permanently installed retention tank that is at least 15 percent larger capacity than the water supply tank. Liquid waste shall not be discharged from the retention tank when the catering truck waste disposal facilities shall be of a different size or type than those used for supplying potable water to the catering truck. The waste connection shall be located lower than the water inlet connection in order to preclude contamination of the potable water system.

**Sec. 38-378. - Commissary, base of operations.**

(a) Catering trucks within the city shall operate from a commissary or other fixed food service establishment permitted to sell food at the wholesale level and shall report at least daily to such location for all supplies and cleaning and servicing operations.

(b) The commissary or other fixed food service establishment used as a base of operation for catering trucks shall be constructed and operated in compliance with the requirements of this division.

**Sec. 38-379. - Servicing area and operations.**

(a) *Servicing area.*

(1) A catering truck servicing area within the city shall be provided at the commissary and shall provide overhead protection for any supplying, cleaning or servicing operation. Within the servicing area, a location shall be provided for the flushing and drainage of liquid wastes separate from the location provided for water servicing and the loading and unloading of food and related supplies. A servicing area shall not be required where only packaged food is placed on the catering truck or where catering trucks do not contain waste retention tanks.

(2) The surface of the servicing area shall be constructed of a smooth, nonabsorbent material, such as concrete or machine-laid asphalt, and shall be maintained in good repair, kept clean and be graded to drain.

(b) *Servicing operations.*

(1) Potable water servicing equipment shall be installed in MTVs according to law and shall be stored and handled in a manner which protects the water and equipment from contamination.

(2) A MTV liquid waste retention tank, when used, shall be thoroughly flushed and drained during the servicing operation. All liquid waste shall

be discharged to a sanitary sewerage disposal system in accordance with section 38-312.

**Secs. 38-380—38-400. - Reserved.**

### **3. EFFECTIVE DATE**
