AN ACT relating to reducing the influence of money, ensuring accountability, and preventing corruption in City of Seattle government.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF SEATTLE:

Section 1. A new Subchapter VIII titled, “Honest Elections Seattle,” is added to the Seattle Municipal Code, Chapter 2.04 - ELECTION CAMPAIGN CONTRIBUTIONS, as follows:

NEW SECTION 2.04.600 – Purpose and Authority. (a) **Purpose.** This people’s initiative measure builds honest elections in the City of Seattle (“City” or “Seattle”) and prevents corruption, by: giving more people an opportunity to have their voices heard in our democracy; ensuring a fair elections process that holds our elected leaders accountable to us by strengthening voters’ control over City government; banning campaign contributions by City contractors and entities using paid lobbyists; lowering campaign contribution limits; tightening prohibitions on lobbying by former elected officials (the “revolving door” problem); expanding requirements for candidates to disclose their financial holdings and interests; and increasing fines on violators of campaign rules. This measure also creates a Democracy Voucher campaign public finance program (“Democracy Voucher Program” or “Program”) to expand the pool of candidates for city offices and to safeguard the people’s control of the elections process in Seattle. (b) **Authority of the People.** The People have vested legislative powers of the City in a Mayor and City Council, but reserved to themselves independent of the Mayor and the City Council the power to propose for themselves measures dealing with any matter within the realm of local affairs or municipal business. That power includes the use of an initiative petition to submit to the qualified electors of the city a measure as authorized by RCW 84.55.050 to exceed the limitations of regular property taxes contained in RCW Chapter 84.55, as it now exists or may hereinafter be amended. The authority of the people to adopt this measure is also specifically authorized and reserved to the electors of the City of Seattle by RCW 42.17A.550, which allows a city to use locally derived public funds (whether from taxes, fees, penalties or other sources) to publicly finance local political campaigns, if the proposal to do so is submitted to City of Seattle voters for their adoption and approval, or rejection.

NEW SECTION 2.04.601 – No Campaign Contributions from City Contractors or their PACs. No Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly accept any contribution directly or indirectly from any entity or person who in the prior two years has earned or received more than \$250,000, under a contractual relationship with the City. No Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly solicit a contribution for himself or herself or for any political party, political committee, campaign committee or public office fund, directly or indirectly from any entity or person who in the prior two years has earned or received more than \$250,000, under a contractual relationship with the City. If the first sentence of this section is invalidated then no Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly accept any contribution of more than \$250 in one calendar year, directly or indirectly, from any entity or person who in the prior two years has earned or received more than \$250,000, under a contractual relationship with the City. If the second sentence of this section is invalidated then no Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly solicit a contribution of more than \$250, for himself or herself or for any political party, political committee, campaign committee or public office fund, directly or indirectly from any entity or person who in the prior two years has earned or received more than \$250,000, under a contractual relationship with the City. In all cases such a candidate or office holder may solicit and accept assignment of Democracy Vouchers without such solicitation or assignment being considered a violation of this section. If any part of this section is held invalid the remainder shall be construed to effect the anticorruption purposes of this section to the maximum extent allowable.

NEW SECTION 2.04.602 – No Campaign Contributions From Regulated Corporations/Industries that Hire Lobbyists. No Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly accept any contribution directly or indirectly from any entity or person who during the past 12 month period has paid \$5,000 or more to a lobbyist or lobbying entity (as such terms are defined in SMC 2.06.010) for lobbying the City of Seattle. No Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly solicit a contribution, for himself or herself or for any political party, political committee, campaign committee or public office fund, from any entity or person who during the past 12 month period has paid \$5,000 or more to a lobbyist or lobbying entity (as such terms are defined in SMC 2.06.010) for lobbying the City of Seattle. If the first sentence of this section is invalidated, then no Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly accept any contribution of more than \$250 in any one calendar year, directly or indirectly from any entity or person who during the past 12 month period has paid \$5,000 or more to a lobbyist or lobbying entity (as such terms are defined in SMC 2.06.010) for lobbying the City of Seattle. If the second sentence of this section is invalidated, then no Mayor, City Council member or City Attorney or any candidate for any such position shall knowingly solicit a contribution of more than \$250, for himself or herself or for any political party, political committee, campaign committee or public office fund, from any entity or person who during the past 12 month period has paid \$5,000 or more to a lobbyist or lobbying entity (as such terms are defined in SMC 2.06.010) for lobbying the City of Seattle. In all cases such a candidate or office holder may solicit and accept assignment of Democracy Vouchers without such solicitation or assignment being considered a violation of this section. If any part of this section is held invalid the remainder shall be construed to effect the anticorruption purposes of this section to the maximum extent allowable.

NEW SECTION 2.04.605 – Expedited Reporting of Electronic Contributions. To ensure the Seattle Ethics and Elections Commission (“SEEC”) creates an electronic reporting system that increases transparency, does not discriminate against low budget campaigns, and takes advantage of advances in information technology, all candidates for City of Seattle electoral offices shall report to the Seattle City Clerk any campaign contribution made electronically upon deposit into a candidate’s account; provided that this provision shall take effect only after SEEC shall have determined that there are two or more electronic payment processing companies that have the capacity to report contributions to the SEEC as soon as the contribution is transferred to the candidate’s account. To give campaigns time to prepare for this section, SEEC shall establish the effective date of this section by rule published reasonably in advance of the election cycle in which campaigns shall comply. SEEC shall ensure that before a contribution is required to be publicly disclosed as received by a campaign it shall have reasonable opportunity to reject or return undesired or illegal contributions.

NEW SECTION 2.04.606 – Signature Gatherers Must Disclose if Paid for Signatures. Any person or entity that is a compensated or paid signature gatherer for any City of Seattle ballot measure, initiative, referendum, or charter amendment shall disclose to each person from whom a signature is sought, in writing via a conspicuous, legible sign, placard, or badge, stating “PAID SIGNATURE GATHERER.”

NEW SECTION 2.04.607 - Three-year Ban on Mayor, Councilmember, City Attorney or Top Staff Paid Lobbying. A former Mayor, City Council member, City Attorney, or City Department head or the highest paid aide or employee directly reporting to any of the foregoing, may not, during the period of three years after leaving City office or position, participate in paid lobbying as defined in SMC 2.06.010. If the foregoing sentence is invalidated, then a former Mayor, City Council member, City Attorney, or City Department head or the highest paid aide or employee directly reporting to any of the foregoing, may not, during the period of two years after leaving City office or position, participate in paid lobbying as defined in SMC 2.06.010.

NEW SECTION 2.04.620 - The Right to \$100 in Democracy Vouchers, For Assignment to Qualified Candidates. (a) **Democracy Vouchers.** Democracy Vouchers are vital to ensure the people of Seattle have equal opportunity to participate in political campaigns and be heard by candidates, to strengthen democracy, fulfill other purposes of this subchapter and prevent corruption. (b) **Issuance of Democracy Vouchers.** On the first business day in every municipal election year, SEEC shall mail to each person who was by the previous November 15th, duly registered to vote in the City of Seattle, at his or her address in the voter registration records, \$100 in vouchers (“Democracy Vouchers”) consisting of four Democracy Vouchers of \$25 each, except that SEEC may deliver Democracy Vouchers online or in other manners if the person receiving same elects other manner of delivery as provided in this subchapter. Thereafter SEEC shall regularly issue \$100 in Democracy Vouchers to any person becoming a duly registered City of Seattle voter after the previous November 15th, up until October 1st of the election year. To be consistent with federal law, any adult natural person who resides more than 30 days in the City of Seattle, and who is a registered voter, or is eligible to vote under local, state or federal law, or who is eligible under federal law to donate to a political campaign, but who has not received any Democracy Vouchers in the election cycle, may opt in to the Program and obtain an equivalent number of Democracy Vouchers by application to SEEC. Any eligible adult may request Democracy Vouchers be mailed or emailed to an address other than that indicated in the voter registration records, or be delivered at SEEC offices, as soon as SEEC shall have developed a secure system for such distributions of Democracy Vouchers, including distribution online, in person, or to an address not listed in voter registration records. No resident outside Seattle, no corporation or other non-human entity, no person under the age of 18 years, and no person ineligible to make political contributions under federal law, may receive a Democracy Voucher.

(c) **Form of Democracy Vouchers.** Each \$25 Democracy Voucher shall state the holder’s name, a unique voucher identification number, the election year, and words of assignment with blank spaces for the holder to designate a candidate and sign the holder’s name, and may include information SEEC deems helpful for verifying signatures such as the voter identification number and barcode, in substantially the following form:

\$25	1 of 4	Democracy Voucher for 20xx Election	Jane Q. Public
On [insert date] _____, 20xx, I, Jane Q. Public, a resident of the City of Seattle, assigned this Democracy Voucher to a candidate for mayor, city attorney or city council named _____.			
I attest that I obtained this Democracy Voucher properly and make this assignment freely, voluntarily and without duress or in exchange for any payment of any kind for this assignment, and not for any consideration of any kind, and that I am aware that assignment does not guarantee availability of funds and is irrevocable. Assignment is complete upon delivery to Seattle Ethics and Elections Commission, the named candidate, or her or his registered representative. Sale/transfer for consideration of this Democracy Voucher is strictly prohibited. Voucher may be redeemed only by qualifying candidates and only if such candidate has complied with additional contributions and spending limits and if funds are available.			
Signed: _____ on _____, 20xx.			
Jane Q. Public	voter ID and bar code		Voucher ID #123,456,789

(d) **Assignment of Democracy Vouchers.** Vouchers are only transferable or assignable as stated herein. Any person properly obtaining and holding a Democracy Voucher may assign it by writing the name of the assignee candidate, and signing the holder’s name on and dating the Voucher where indicated thereon, and delivering the signed and dated Voucher to the candidate, or to SEEC, or to any candidate’s representative who shall be registered for this purpose with SEEC. Delivery may be by mail, in person (by any person the holder requests to deliver the voucher), or electronically via a secure SEEC online system. SEEC shall establish a secure online system for delivery of Democracy Vouchers (without prejudice to any eligible person’s right to receive Democracy Vouchers in the mail at his or her option) no later than prior to the 2017 election cycle, unless SEEC determines this target date is not practicable; and in any event no later than the 2019 election cycle.

(e) **Limitations on Assignment.** A person may only assign a Voucher to a candidate who has chosen to participate in the Seattle Democracy Voucher Program and who has filed a signed statement of participation and pledge with SEEC as described below. No Democracy Voucher may be assigned after the last business day in November following the election, or to any candidate filing for participation who then fails to qualify or becomes unqualified for the position sought or for the Program. A candidate or registered candidate representative may seek assignment in person or through representatives or by assisting a voter to access the SEEC secure online system. A valid assignment is irrevocable. A person may assign any number of his or her Democracy Vouchers to the same candidate in a given year. Assignment or transfer for cash or any consideration is prohibited. Offering to purchase, buy or sell a Democracy Voucher is prohibited. No person may give or gift a Democracy Voucher to another person, except by assigning it to a candidate as provided herein. Democracy Vouchers have no cash value and are not assets, income or property of the holder. A Democracy Voucher may not be assigned by proxy, power of attorney or by an agent.

(f) **Assignor Assumes Certain Risks.** A Democracy Voucher expires if the holder is no longer resident in the City of Seattle, or no longer or not eligible to make political contributions under federal law, if such circumstances take place prior to the assignment to a qualified candidate. The holder of a Democracy Voucher assumes the risk that he or she may change his or her mind after assignment, or that the Democracy Voucher may not have use or be redeemed due to any contingency, including but not limited to unavailability of Program funds; the assignee candidate reaching the “Campaign Spending Limit” (described and defined below); a candidate’s death, disqualification, dropping out, failure to redeem or use the Democracy Voucher; a candidate’s not qualifying or violating the terms of qualification; or otherwise.

NEW SECTION 2.04.630 - Candidates to Qualify By Showing Grass Roots Support and Agreeing to New Campaign and Contribution Limits; Redemption of Democracy Vouchers; New Limits on Use of Funds.

(a) **Only Qualified Candidates Redeem Democracy Vouchers.** Only a candidate who has filed with SEEC for participation in the Seattle Democracy Voucher Program may receive assignment of a Democracy Voucher. Only a candidate certified as qualified by SEEC may redeem a Democracy Voucher. Only a person eligible for and seeking the office of Mayor, City Attorney or City Council shall be eligible to file for Program participation.

(b) **Requirements for Program.** To seek qualification, the candidate shall file with SEEC, on or after July 1st the year before an election year and within two weeks after filing a declaration of candidacy, a sworn statement attesting to his or her intent to participate, asserting that the candidate shall timely file or has filed a declaration of candidacy for the office indicated, and that the candidate shall comply with Program requirements and applicable campaign laws. Such Program requirements are that the candidate: shall take part in at least three public debates for primary and general elections each (as defined by SEEC, and SEEC may waive or reduce the number of debates, if a qualifying candidate makes all reasonable efforts to participate in debates and similar public events); shall comply with campaign laws and spending and contribution limits; and, the candidate shall not knowingly solicit money for or on behalf of any political action committee, political party, or any organization that will make an independent expenditure for or against any City of Seattle candidate within the same election cycle (for the purposes of this section, appearing as a featured speaker at a fundraising event for a committee or entity shall constitute soliciting money for such committee or entity). Further Program requirements are that a candidate for Mayor shall not solicit or accept total contributions from any individual or entity in excess of a total of \$500 during one election cycle, and a candidate for City Attorney or City Council shall not solicit or accept total contributions from any individual or entity in excess of a total of \$250 during one election cycle (including any contribution used to qualify for Democracy Vouchers, but excluding the value of Democracy Vouchers assigned to such candidate) (subject to exceptions provided herein).

(c) Qualifying Contributions. To qualify for the Democracy Voucher Program, candidates shall show they have received at least the following numbers of “Qualifying Contributions” of at least \$10 but not more than the Program contribution limit for the office sought provided in SMC 2.04.630(b) from individual adults (18 years of age or older), who are human natural persons residing in the City of Seattle, and eligible under federal law to make political contributions: Mayoral candidates, at least 600; City Attorney candidates, at least 150; at-large City Council candidates, at least 400; and district City Council candidates, at least 150 (of which at least 75 shall be from individuals residing in the district sought to be represented by the candidate). SEEC shall maintain a list of qualified candidates and make it readily accessible to the public, including by publishing it on SEEC’s website.

(d) Campaign Spending Limit. Participating candidates shall comply with all campaign laws and not exceed the following “Campaign Spending Limits” (defined as (i) money spent to date (equal to prior expenditures, plus debts and obligations), and the value of any in kind donations reported, plus (ii) cash on hand and (iii) the value of unredeemed Vouchers on hand which the candidate shall have allocated to the primary or general election): Mayor \$400,000 for the primary election, and \$800,000 total (for both primary and general election); City Attorney, \$75,000 for the primary election, and \$150,000 total; at-large City Council, \$150,000 for the primary election, and \$300,000 total; district City Council, \$75,000 for the primary election and \$150,000 total.

(e) Further Limits on Redemption. A qualified candidate may collect Democracy Vouchers for the general election before the primary election takes place and allocate same to the general election without such Vouchers counting against the Campaign Spending Limit for the primary election, but may not redeem Vouchers for the general election unless such candidate advances to the general election.

(f) Remedies for Exceeding Campaign Spending Limit. If a qualified candidate demonstrates to SEEC that he or she has an opponent (whether or not participating in the Program) whose campaign spending has exceeded the Campaign Spending Limit for the position sought as indicated above, where SEEC deems the excess material it shall allow such candidate to choose to be released from the Campaign Spending Limit and campaign contribution limits for the Program, in which case SEEC shall allow such candidate to redeem his or her Democracy Vouchers received theretofore or thereafter up to the amount of the Campaign Spending Limit only, then allow such candidate to engage in campaign fundraising without regard to any Program requirements. SEEC shall also release a qualifying candidate from the Campaign Spending Limit to the extent that it is shown (on application of a Seattle candidate or citizen) that said qualified candidate faces independent expenditures as defined in SMC 2.04.010 adverse to the candidate or in favor of an opponent and the sum of such independent expenditures plus said candidate’s opponent’s campaign spending materially exceeds the Campaign Spending Limit for that office.

(g) Loss of Qualification. A candidate loses qualification for the Program by publicly announcing withdrawal, abandoning the race, failing to advance to the general election, or if SEEC finds sufficient material violations of election laws or Program requirements such as violation of spending or contribution limits, or fraudulent or attempted fraudulent assignment of Democracy Vouchers.

(h) Redemption of Vouchers. SEEC shall redeem Democracy Vouchers only after verifying the assignment by ensuring the Voucher was issued to an eligible person, and verifying the signature written in the words of assignment, and only if redemption shall not put the candidate over the Campaign Spending Limit and only if Program funds are available. To verify signatures SEEC may employ the division of King County Records and Elections which verifies signatures for initiative petitions or mail-in ballots. SEEC shall redeem Democracy Vouchers on published regular redemption dates that shall be no less frequent than twice a month and may redeem Vouchers on other dates notified in advance if SEEC deems it practicable. SEEC shall not redeem any Democracy Voucher received by SEEC after the first business day in the month of December after the general election.

(i) Limits on Use of Voucher Proceeds. Candidates shall use Democracy Voucher proceeds only for campaign costs or debts for the relevant office and election cycle, and may not use such proceeds after a reasonable period (to be set by SEEC) following the election to pay campaign debts. Candidates shall not use Democracy Voucher proceeds for any cash payments or in violation of any law; nor to pay the candidate (except to repay or reimburse a loan to his or her political committee or campaign in an amount not greater than that provided in RCW 42.17A.445(3) or WAC 390-05-400) or pay a member of the candidate’s immediate family as defined in RCW 4.16.030; pay any entity in which the candidate or an immediate family member holds a ten percent or greater ownership interest; pay any amount over fair market value for any services, goods, facilities or things of value; pay any penalty or fine; or pay any inaugural costs or office funds cost.

(j) Return of Democracy Voucher Proceeds. A candidate who has redeemed a Democracy Voucher, then withdraws, dies, becomes ineligible, loses qualification, or is eliminated in any primary or general election or wins a general election, shall within a reasonable period, as defined by SEEC, pay all debts and obligations, account to SEEC and restore to SEEC and the Program “Unspent Democracy Voucher Proceeds.” SEEC shall define “Unspent Democracy Voucher Proceeds” by rule.

NEW SECTION 2.04.658 - Transparency. Assigning a Democracy Voucher is a public act and recipients of Democracy Vouchers shall expect same to be public and made public and shall have no expectation of privacy in registering to obtain Democracy Vouchers or in assigning same. All Democracy Voucher holders are on notice the process is public and transparent, except that SEEC shall not publish mail, email or other addresses to which Democracy Vouchers are sent. SEEC shall make transparent at its offices and on its website all assignments and redemptions of Democracy Vouchers including recipient name, Democracy Voucher identification number and suffix, date assigned, to whom assigned, when redeemed and amount redeemed. SEEC shall provide other necessary means to make the Seattle Democracy Voucher process and Program open and transparent so that each Democracy Voucher recipient and the media and public may track assignments of Democracy Vouchers to assist in exposing any potential forgery, fraud, or misconduct regarding same. If a Democracy Voucher recipient believes that his or her Democracy Voucher was lost, stolen or fraudulently or improperly assigned or redeemed, SEEC shall require a notarized declaration or affidavit or additional process in its judgment to find the relevant facts then provide relief it deems appropriate including Democracy Voucher replacement, cancellation of assignment or reimbursement of any improperly obtained Program funds. SEEC shall promulgate rules and regulations for such proceedings and cases where it receives duplicate copies of the same Democracy Voucher and shall ensure that any Democracy Voucher recipient may attempt to show, without any filing fee or charge, the facts of loss, theft, destruction or forgery of or duress in or other improper acts concerning or in the assignment of the Democracy Voucher. Such process shall include procedures through mails or in person and shall include an online process when and if SEEC develops same. SEEC shall also provide forms, and for in-person procedures, a notary at SEEC offices during normal business hours for this purpose, without charge. In all cases, no Democracy Voucher assignment shall be deemed invalid or revocable simply because the assignor changes opinion or changes his or her mind, gets new information from or about any candidate or campaign, or based on any allegation of misstatement or misinformation by any candidate or any person, or any other source, or for any reason other than duplicate voucher or forgery, threats, coercion, or physical duress, shown by clear and convincing evidence. SEEC shall issue regulations providing remedies and consequences for such acts, which may include, for sufficient material violation of Program requirements, campaign laws, or any acts of intentional forgery, threats, duress, or coercion in obtaining assigned Democracy Vouchers, an order requiring a candidate to return to the Program any proceeds of Democracy Vouchers or disqualifying a candidate from the Program.

NEW SECTION 2.04.690 - Transition; SEEC Administration Authority; Penalties; Crimes; Severability.

(a) Transition. To allow accumulation of Program funds, in the 2017 election only and notwithstanding other provisions of this subchapter, no Mayoral candidate shall be eligible to participate in the Program or receive or redeem Democracy Vouchers.

(b) SEEC to administer. SEEC shall implement and administer the Program, Program funds, and provisions in this subchapter including issuing and promulgating appropriate regulations, forms, rules, information packets, procedures, and enforcement mechanisms. SEEC shall through rule making carry out the provisions of this subchapter including but not limited to making regulations, defining terms, establishing other rules or promulgating any other administrative regulations or guidelines not inconsistent with the provisions of this subchapter. Anything herein said to be done by SEEC, other than such rule making, shall be done by its Executive Director or another person indicated in SEEC regulations or a duly approved printer or contractor. Prior to each election cycle, SEEC shall inform the public about Democracy Vouchers and the Program. SEEC shall publish appropriate guidebooks for candidates and Democracy Voucher recipients, and all forms, instructions, brochures and documents necessary and proper for this Program, which shall include key documents accessible to those with visual or other disability, and translations into languages other than English spoken by a significant number of Seattle residents, which shall be presumed initially to include Spanish, Vietnamese, Cantonese, Mandarin, Somali, Tagalog, Korean, Cambodian, Amharic, Oromo, Tigrinya, Laotian, Thai, and Russian. Prior to each election cycle, SEEC may reasonably adjust the Campaign Spending Limits, the dollar amounts for and numbers of qualifying contributions, the contribution limits per contributor provided in SMC 2.04.630(b) (but SEEC shall not set a contribution limit for qualifying candidates that exceeds the contribution limit specified for candidates in SMC 2.04.370, or the number or value of Democracy Vouchers provided to each eligible person, in order to account for inflation or deflation, and ensure the goals and purposes of the Program including democracy and accountability, high rates of candidate participation, heavy utilization of vouchers by those who have not previously donated to Seattle political campaigns,, and high public satisfaction with the Program. After each election cycle SEEC shall review the Program and submit reports to the public and City Council. Promptly after the effective date of this measure, SEEC shall project Program revenue, expenditures, and Democracy Voucher Program Funds (“Program Funds”) balances from 2016 through at least 2021, and shall revise and update such projections regularly, and at all times shall manage Program Funds as a fiduciary, ensuring proper accumulation and distribution of funds, during nonelection and election years, to achieve Program purposes and goals. In making such projections and administering this Program, SEEC shall consider all relevant circumstances including differing Campaign Spending Limits for different offices, differing funding needs in mayoral and non-mayoral election years, and the need to manage the Program and funds to seek to ensure participation by candidates. SEEC before January 1st of each municipal election year shall manage and prudently conserve Program Funds, by considering and projecting Program Funds availability and disbursements for that year and publicizing such projections which shall include and consider needs of participating candidates, needs for conservation of funds for future years or reserve accumulation, prudent operating cost and cost of administration, and prudent conservation of public resources. To assure candidates that ample funds will be available for Voucher redemptions and to assure the public that Voucher fund redemptions will be prudently managed, by January 1st of each municipal election year, SEEC shall publish an “Available Program Funds Limit” for that year for Voucher redemptions. In setting the Available Program Funds Limit, SEEC shall use its best efforts to reasonably project and ensure that adequate Program Funds are available for that election year consistent with this subchapter, its goals and purposes and all reasonably foreseeable circumstances and contingencies and shall set aside at least an amount needed for six primary and two general election candidates for each position in that year’s election to qualify and spend their respective Campaign Spending Limit using Democracy Vouchers only (rather than private contributions, except for private contributions used to qualify). During any municipal election year, as soon as SEEC receives or reasonably believes it shall receive Democracy Vouchers for redemption in excess of the Available Program Funds Limit for that year, then Program Funds shall be deemed unavailable and SEEC shall publicly announce same and set a prompt deadline date for Democracy Voucher delivery, following which SEEC shall consider Democracy Vouchers received and available Program Funds and shall allocate remaining available Program Funds proportionately per unredeemed verified Democracy Vouchers on hand, pro rata among all participating candidates for all offices without discrimination. If any special election is called, SEEC shall set aside Program Funds for such election in an amount it deems appropriate, and shall be empowered to act and change, alter, or modify or set and implement standards, procedures, limits and deadlines as similar as may be practicable to those provided in this subchapter as SEEC deems proper and necessary for such special election, taking care to not unduly prejudice accumulation of funds for the Program.

(c) Penalties. No penalty provision in this subchapter shall diminish any other penalty or remedy under any other law. Participating candidates who make expenditures in excess of the Campaign Spending Limit shall be subject to a civil penalty of twice the amount of the expenditure in excess of such limit, unless SEEC determines that the overspending is insignificant or trivial. All enforcement, administrative and other powers, procedures, rights, duties, remedies, process, civil penalties and other provisions in SMC 2.04.060, 2.04.070, 2.04.075, 2.04.090, 2.04.500, 2.04.510, 2.04.520, 2.16.010 and 2.16.020, relating to violations of election campaign contributions laws or initiative laws, shall apply in case of violations of this subchapter, and all penalties, remedies or consequences applicable to violations of SMC 2.04 or 2.06 shall be applicable for any violation of this subchapter, including but not limited to an order requiring the party to take particular action in order to comply with the law, and in addition, or alternatively, sanctions up to \$5,000 for each violation.

(d) Crimes. A person is guilty of trafficking in a Democracy Voucher if the person knowingly purchases, buys, or pays consideration for any Democracy Voucher or knowingly sells, conveys for consideration or receives consideration for any Democracy Voucher; or attempts same. A person is guilty of theft of a Democracy Voucher if he or she steals (defined as when one knowingly obtains or exerts unauthorized control over with intent to deprive the proper holder or recipient thereof) or attempts to steal, a Democracy Voucher. A person is guilty of the crime of forgery of a Democracy Voucher if, with intent to injure or defraud, he or she attempts to falsely make, complete, or alter a Democracy Voucher or its assignment or possess, utter, offer, dispose of, or put off as true a Democracy Voucher or written assigned Democracy Voucher that he or she knows is forged.
