

Text Amendment to define consumer fireworks and to define and add consumer fireworks retail sales facility (temporary) as a conditional use in C-4 (Interchange Commercial), I-1 (Light Industrial), and I-2 (General Industrial) zoning districts.

Consumer fireworks: Any small fireworks devices containing restricted amounts of pyrotechnic composition, designed primarily to produce visible or audible effects by combustion, that comply with the construction, chemical composition, and labeling regulations of the United States Consumer Product Safety Commission as provided for in Parts 1500 and 1507 of Title 16 of the Code of Federal Regulations, the United States Department of Transportation as provided for in Part 172 of Title 49 of the Code of Federal Regulations, and the American Pyrotechnics Association as provided for in the 2001 American Pyrotechnics Association Standard 87-1, and additionally shall mean Roman candles.

Consumer fireworks retail sales facility (temporary): A consumer fireworks retail sales facility as defined by NFPA 1124 consisting of a temporary building or structure, CFRS stand, tent, canopy, or membrane structure that is used primarily for the retail display and sale of consumer fireworks to the public. The duration of a temporary consumer fireworks retail sales facility shall initiate upon conditional use approval by the City and terminate within ninety days after initiation.

Text Amendment to define and add consumer fireworks retail sales facility (permanent) as a conditional use in I-1 (Light Industrial), and I-2 (General Industrial) zoning districts.

Consumer fireworks retail sales facility (permanent): A consumer fireworks retail sales facility as defined by NFPA 1124 consisting of a permanent building or structure, CFRS stand, tent, canopy, or membrane structure that is used primarily for the retail display and sale of consumer fireworks to the public.
