

ORDINANCE NUMBER 2024 - 2320

AN ORDINANCE CONCERNING THE RE-DISTRICTING OF CITY COUNCIL DISTRICTS DUE TO CHANGES IN POPULATION

WHEREAS, the next municipal elections in the City of Athens are scheduled for August, 2025;

WHEREAS, the *United States Constitution* requires that all who participate in elections by district representation should have an equal vote;

WHEREAS, this principle of “one person, one vote” requires that city council districts must be approximately equal in population so that as nearly as practicable, one person’s vote in a city council election is to be worth as much as another person’s vote;

WHEREAS, city council districts should contain substantially equal populations, be reasonably compact, contiguous, and should not discriminate on the basis of race, color, or membership in a language minority;

WHEREAS, from time to time, in order to observe these legal principles, it becomes necessary for the Athens City Council to revise the boundary lines of city council districts due to changes in population;

WHEREAS, § 11-46-23 of the *Code of Alabama* provides for the adjustment of the boundary lines of city council districts;

WHEREAS, the City of Athens has received and reviewed the data in the 2020 United States census (the latest federal census), and that data demonstrates that the existing city council districts must be revised before the next municipal election;

WHEREAS, after review of the data from the census, the City of Athens Planning Department has proposed this Ordinance, which would revise the city council districts as set forth herein;

WHEREAS, the Athens City Council conducted a public hearing on this Ordinance at its regular meeting on May 13, 2024, and was open to additional public comment at its meeting on May 20, 2024;

WHEREAS, this Ordinance contains a very slightly revised legal description of District No. 3 and District No. 5, which is slightly different from the version originally introduced to the council, in the area of Forrest Street W and Coleman Avenue; and

WHEREAS, the City Council finds that this Ordinance satisfies the above legal criteria, and that is in the best interest of the City of Athens and all of its citizens.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ATHENS, ALABAMA, while in regular session on May 20, 2024, at 4:30 p.m., as follows:

City Council Voting District Legal Description 2024

i. About this Description

ii. Abbreviations and Conventions

Add. – Addition

AL HWY – Alabama Highway

US HWY – United States Highway

Island – An area of land entirely surrounded by another jurisdiction. Technically, Athens itself would be an island of unincorporated Limestone County.

PB – Plat Book. This refers to a drawing of a subdivision of property. All Plats referred to (if any) in this legal description are located in the Limestone County, Alabama Office of the Probate Judge.

Sub. – Subdivision

T3S-R5W-Section-24 – This is a short hand conveying the Public Land Survey System (PLSS) Township, Range, and Section. The example provided translates to, Township 3 South, Range 4 West, Section 24, located in Limestone County, Alabama, U.S.A.

iii. Technical Notes

1. After every heading is a descriptive summary of where it travels to guide the reader. It is in metes-and - bounds-format.
2. Centerlines are approximate and may veer from the path of an actual feature.
3. Quadrant Bearings are used for measuring angles and the “seconds “ subdivision of units may or may not be omitted when the value is zero (0). Distances are represented in feet and are rounded to the nearest hundredth foot. Units of area will be in square miles and acres.
4. Legal descriptions, for the most part, are written in metes-and-bounds and travel in a clockwise direction.
5. The legal descriptions may bear resemblance to if a property is located inside or outside Athens City Limits, but shall not be used in determining if property or Right-of-Ways are located inside or outside of Athens City Limits.
6. Intersections are treated from a horizontal perspective, not a vertical plane. This legal description uses a liberal interpretation of intersection in ways that may not usually be thought of as intersections. For example, a grade separated overpass being the intersection of two roads.

Section 2. The City Clerk shall cause this Ordinance to be published in the *Athens News Courier* accordance with law.

Section 3. The City Clerk shall also cause a certified copy of this Ordinance, accompanied by a map of the city showing the boundaries of the city council districts, to be filed with the Judge of Probate of Limestone County, Alabama.

Section 4. The provisions of this Ordinance shall be included and incorporated in the *Code of Ordinances of the City of Athens* as an addition or amendment thereto (although the legal descriptions noted above shall not be reproduced in the code, but shall remain on file with the City Clerk), and shall be appropriately renumbered as necessary to conform to the uniform numbering system of the Code.
