Sam,

I have attached a petition signed by everyone on Briar Oak Circle to have the speed limit lowered from 30 to 15 miles per hour and add a stop sign before the street T's into the cul-da-sacs off Briar Oak Circle. See picture for placement of stop sign.

Everyone is in agreement about the lowering of the speed limit and the adding of the stop sign.

I hope this item can be brought up and approved at the next council meeting. Since we are all in agreement, we hope this can be done quickly.

Please let me know the person I need to drop off the original petition.

This is a life and safety issue for the parents of kids on this street, teenagers use our street every week to hang out even though they are not visiting anyone who lives on the street and also have run over two slow down watch for children signs as well since June in the location of the requested stop sign.

Thank you,

Yes, in addition to reducing the speed limit to 25 miles per hour and replacing the existing speed limit sign, I think adding a stop sign in the location shown below would also be appropriate.
