ENFORCEMENT, CODE OF ORDINANCES OF THE CITY OF OXFORD,  
MISSISSIPPI**

BE IT ORDAINED BY THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF OXFORD, MISSISSIPPI AS FOLLOWS:

**SECTION I.** That Chapter 87 Article 1, In General, Code of Ordinances, Oxford, Mississippi, is hereby created to read as follows:

*Health/Code Enforcement Officer* as used herein means the Chief of Police, or any duly authorized designee. However, for Chapter 50 Article II Mosquito Control and Chapter 19 Deer Management of the Code of Ordinances, the health/code enforcement officer shall be appointed by the Mayor and Board of Aldermen.

**SECTION II** That Chapter 87 Article 2, Health and Safety, Code of Ordinances, Oxford, Mississippi, is hereby created to read as follows

**1. WEEDS PROHIBITED**

(a) *Prohibited conditions.* It shall be unlawful for any person owning or occupying any lot, parcel or property abutting, or within 200 feet of any public street within the city to permit weeds, grass, brush or other undesirable vegetation to grow to a height in excess of 12 inches.

(b) *Adjudication of uncleanliness.* To determine whether property or parcel of land within a municipality is in such a state of uncleanliness as to be a menace to the public health, safety and welfare of the community, the board of aldermen shall conduct a hearing, on its own motion or upon the receipt of a petition signed by the majority of the residents within 300 feet of any property or parcel of land alleged to be in need of the cleaning. Notice shall be provided to the property owner by:

- (1) United States mail two weeks before the date of the hearing mailed to the address of the subject property and to the address where the ad valorem tax notice for such property is sent by the office charged with collecting ad valorem tax; and
- (2) Posting notice for at least two weeks before the date of a hearing on the property or parcel of land alleged to be in need of cleaning and at city hall.

(c) *Notice to owner; hearing abatement; costs adjudicated.* Any notice required by this section shall include language that informs the property owner that an adjudication at the hearing that the property or parcel of land is in need of cleaning will authorize the municipality to reenter the property or parcel of land for a period of one year after the hearing without any further hearing if notice is posted on the property or parcel and at

city hall at least seven days before the property or parcel of land is reentered for cleaning. A copy of the required notice mailed and posted as required by this section shall be recorded in the minutes of the governing authority in conjunction with the hearing required by this section.

If, at such hearing the mayor and board of aldermen shall, in its resolution, adjudicate such parcel of land in its then condition to be a menace to the public health and safety of the community, the mayor and board of aldermen, shall, if the owner does not do so himself, proceed to clean the land, by the use of municipal employees or by contract, by cutting weeds; removing rubbish, dilapidated fences, dilapidated buildings and other debris; and draining cesspools and standing water therefrom. Thereafter, the mayor and board of aldermen may by resolution adjudicate the actual cost of cleaning the property and may also impose a penalty not to exceed \$1,500.00 or 50 percent of the actual cost, whichever is more. The cost and any penalty may become a civil debt against the property owner, or, at the option of the governing authority an assessment against the property. The "cost assessed against the property" means either the cost to the municipality of using its own employees to do the work or the cost of any contract executed by the municipality to have the work done, and administrative costs and legal cost of the municipality.

For subsequent cleaning within one-year period after the date of the hearing at which the property or parcel of land was adjudicated in need of cleaning, upon seven days notice posted both on the property or parcel of land adjudicated in need of cleaning and at city hall as authorized in subsection (b) a municipality may reenter the property or parcel of land to maintain cleanliness without further notice or hearing no more than six times in any 12-month period with respect to removing dilapidated buildings, dilapidated fences and no more than 12 times in any 24-month period with respect to cutting grass and weeds and removing rubbish, personal property and other debris on the land, and the expense of cleaning the property shall not exceed an aggregate amount of \$20,000.00 per year or fair market value of the property subsequent to cleaning, whichever is less. The city may assess the same penalty for each time the property or land is cleared as otherwise provided this section.

(d) *Civil debt; institution of suit.* If the board of aldermen declares by resolution, that the cost and any penalty shall be collected as a civil debt, the board of aldermen may authorize the institution of a suit on open account against the owner of the property in a court of competent jurisdiction in the manner provided by law for the cost and any penalty, plus court costs, reasonable attorney's fees and interest from the date the property was cleaned.

(e) *Lien; assessment enrolled.* If the board of aldermen does not declare that the cost and any penalty shall be collected as a civil debt, then the assessment provided for in subsection (c) of this section shall be a lien against the property and may be enrolled in the office of the circuit clerk of the court as other judgments are enrolled, and the tax collector of the city shall, upon order of the board of aldermen, proceed to sell the land to satisfy the lien as now provided by law for the sale of lands for delinquent municipal taxes. (Ord. No. 2009-11, § I, 11-3-2009; Ord. No. 2011-6, § I, 8-2-2011)

**SECTION IV** That Chapter 87 Article 4, Livability, Code of Ordinances, Oxford, Mississippi, is hereby created to read as follows:

### **1. NUMBER OF UNRELATED OCCUPANTS IN SINGLE FAMILY AREAS**

Homes in certain zoning districts of the City of Oxford are designated for occupancy by a single family. However, this section does not preclude enforcement of any occupancy regulations in zoning districts other than those listed in (b) below.

(a) *Definitions.*

(1) For purposes of this section, the definition of a "family" is the same as the definition

of that term contained in the City of Oxford Land Development Code (see Section 117.66), that is, one or more persons who are related by blood, adoption, marriage, or foster care living together and occupying a single housekeeping unit with single culinary facilities, or a group of not more than three persons living together by joint agreement and occupying a single housekeeping unit with single culinary facilities on a nonprofit, cost sharing basis. Any household employees residing on the premises shall not be considered as a separate family for purposes of this definition.

(2) The terms "occupancy" or "occupy" shall mean the use of a dwelling unit or portion thereof for living, sleeping, and cooking or eating purposes.

(3) To the extent necessary, this section adopts all definitions set forth in the City of Oxford Land Development Code.

(b) *Limited number of unrelated individuals.* All dwelling units located in (A) Agricultural District, (C-E) Country Estate District, (R-E) Residential Estate District, (R-A) Single-Family Residential District, (R-1A) Single Family Residential District, and areas of Planned Unit Developments (PUDs) developed as single-family residential subdivisions shall be restricted to occupancy by a family as defined, in subsection (a) above. No person who is not part of such a family may occupy any such dwelling unit.

(c) [*Violation; prima facie proof of occupancy.*] Prima facie proof of occupancy of a dwelling unit by more than three unrelated persons is established in any prosecution for violation of this section if it is shown that the same four or more vehicles with registration to persons having different surnames or addresses were parked overnight at the dwelling unit a majority of nights in any 14-day period. This establishment of a prima facie level of proof in this subsection does not preclude a showing of "occupancy" of a dwelling unit by a person in any other manner.

(d) [*Violation by owner, occupant or lessee.*] It shall also be a violation of this section for any owner, occupant, or lessee of any dwelling unit described in subsection (b) above to permit or fail to prohibit the occupancy of such dwelling unit by more than three unrelated persons.

(e) [*Enforcement.*] The City of Oxford's Code Enforcement Officer shall enforce this section as follows:

(1) When a complaint is received by the building official, the code enforcement officer shall initiate an investigation to determine if a violation may exist. This investigation shall be completed within 90 days of the complaint.

(2) If the code enforcement officer determines there are more than three unrelated people residing in any dwelling unit described in subsection (b) above, the code enforcement officer shall contact all identifiable property owners and occupants by certified mail and request voluntary compliance.

(3) If compliance is not achieved in a reasonable amount of time, the code enforcement officer shall again contact all identifiable property owners and occupants by certified mail and inform all such parties that they have 30 days from the date of the certified letter to comply with the restrictions or municipal court citations may be issued.

(4) No municipal court citation shall be issued unless and until the procedures described above have been followed.

(f) *Penalties.* For each violation of this section, each owner, occupant, or lessee of a single-family dwelling shall be subject to a fine not to exceed \$300.00 for each violation.

Each day during which any violation of this section shall continue shall constitute a separate offense. (*Ord. No. 2009-7, § I, 7-21-2009*)

## **2. NUMBER OF UNRELATED OCCUPANTS IN RESIDENTIAL AREAS OTHER THAN SINGLE FAMILY**

To help preserve neighborhood livability and quality and to insure adequate public services, infrastructure and parking; the occupancy of detached single family dwelling units in residential areas other than those zoned single family shall be as follows:

(a) When all occupants of a detached single family dwelling unit within an RB zoning district are not related to each other by blood, adoption, marriage, or foster care, the number of occupants in a unit shall not exceed four (4) such occupants.

(b) When all occupants of a detached single family dwelling unit within an RC zoning district are not related to each other by blood, adoption, marriage, or foster care, the number of occupants in a unit shall not exceed five (5) such occupants.

(c) The terms "occupancy" or "occupy" shall mean the use of a dwelling unit or portion thereof for living, sleeping, and cooking or eating purposes.

(d) To the extent necessary, this section adopts all definitions set forth in the City of Oxford Land Development Code.

(e) [*Violation; prima facie proof of occupancy.*] Prima facie proof of occupancy of a dwelling unit by more than three unrelated persons is established in any prosecution for violation of this section if it is shown that the same four or more vehicles with registration to persons having different surnames or addresses were parked overnight at the dwelling unit a majority of nights in any 14-day period. This establishment of a prima facie level of proof in this subsection does not preclude a showing of "occupancy" of a dwelling unit by a person in any other manner.

(f) [*Violation by owner, occupant or lessee.*] It shall also be a violation of this section for any owner, occupant, or lessee of any dwelling unit described in subsection (b) above to permit or fail to prohibit the occupancy of such dwelling unit by more than three unrelated persons.

(g) [*Enforcement.*] The City of Oxford's Code Enforcement Officer shall enforce this section as follows:

(1) When a complaint is received by the building official, the code enforcement officer shall initiate an investigation to determine if a violation may exist. This investigation shall be completed within 90 days of the complaint.

(2) If the code enforcement officer determines there are more than three unrelated people residing in any dwelling unit described in subsection (b) above, the code enforcement officer shall contact all identifiable property owners and occupants by certified mail and request voluntary compliance.

(3) If compliance is not achieved in a reasonable amount of time, the code enforcement officer shall again contact all identifiable property owners and occupants by certified mail and inform all such parties that they have 30 days from the date of the certified letter to comply with the restrictions or municipal court citations may be issued.

(4) No municipal court citation shall be issued unless and until the procedures described above have been followed.

(h) *Penalties.* For each violation of this section, each owner, occupant, or lessee of a single-family dwelling shall be subject to a fine not to exceed \$300.00 for each violation. Each day during which any violation of this section shall continue shall constitute a separate offense.
