Interest is payable on February 15, 2021 and semiannually on each August 15 and February 15 thereafter to the date of payment of the principal installment specified above; except, that if this Bond is required to be authenticated and the date of its authentication is any Record Date (hereinafter defined) but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full."

C. The initial Bond shall be numbered "T-1."

**Section 6. TAX LEVY.** (a) Payment of the Bonds. A special Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the City at an official depository bank of the City. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the City, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the governing body of the City shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient, within the limit prescribed by law, to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of the Bonds as such principal matures (but never less than 2% of the original principal amount of the Bonds as a sinking fund each year); and the tax shall be based on the latest approved tax rolls of the City, with full allowance being made for tax delinquencies and the cost of tax collection. The rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the City for each year while any of the Bonds or interest thereon are outstanding and unpaid; and the tax shall be assessed and collected each such year and deposited to the credit of the Interest and Sinking Fund. The ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law. Accrued interest on the Bonds on their date of initial delivery, if any, shall be deposited in the Interest and Sinking Fund.

(b) Appropriation of Available Funds. There is hereby appropriated from funds of the City lawfully available for such purpose a sum sufficient to pay the interest and/or principal to become due on the Bonds, if any, prior to receipt of applicable ad valorem tax receipts.

(d) Notwithstanding anything elsewhere in this Ordinance, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the City retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of this Ordinance, the City may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

As used herein, "Defeasance Securities" means (i) Federal Securities and (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the City adopts or approves proceedings authorizing the issuance of refunding bonds or otherwise provide for the funding of an escrow to effect the defeasance of the Bonds are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent.

**BONDS.** (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new Bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the Registered Owner applying for a replacement bond shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the Registered Owner shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

- (1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Bonds or the projects financed therewith are so used, such amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;
- (2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;
- (3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;
- (4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;
- (5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;
- (6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Ordinance (the "Project") on its books and records in accordance with the requirements of the Code. The City recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the City recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The City agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The City covenants that the property constituting the projects financed therewith the proceeds of the Bonds will not be sold or otherwise disposed of in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of this subsection, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the City shall not be obligated to comply with this covenant if it obtains an opinion of nationally recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.
