to 18 inches in height on top of permitted fencing provided the barbed wire or razor wire is located at the top portion of a fence which is at least six feet in height.

4. Industrial Districts. Barbed wire or razor wire ~~May~~ be up to 18 inches in height on top of permitted fencing provided ~~it the barbed wire~~ is located at the top portion of a fence which is at least six feet in height. Barbed wire is permitted unless it abuts a Residential District, is located within 100 feet of a Residential District, or is located within 100 feet of a park or other public open space, where it is prohibited.

5. Specific Uses. Razor wire is permitted within cemetery, commercial, or industrial uses where the use shares a property line with a freeway or railroad; in such instance razor wire may only be located on the shared property line.

B. Construction Sites. Nothing in this Development Code shall be deemed to prohibit the erection of temporary fencing around construction sites in compliance with the Building Code and other applicable provisions of the Fresno Municipal Code.

C. Location Restrictions – Razor Wire. Notwithstanding any other provision of this section, razor wire shall be prohibited within 1,000 feet of any sensitive use such as Residential Districts.

public or private schools, daycares, churches, and public parks, except where permitted for the keeping of livestock or as temporary fencing around construction sites in compliance with the Building Code and other applicable provisions of the Fresno Municipal Code.

- D. **Fencing Encroachments.** All fencing within the public right-of-way requires an encroachment permit from the City Engineer and shall be subject to all requirements of this section, in addition to those of the Public Works Department. Security fencing shall not extend over into any abutting property.
- E. **Maintenance.** All walls and fences shall be maintained in a safe, neat, and orderly condition at all times, and shall be kept free of all litter, graffiti, and signs or postings not authorized by Article 26, Signs. Where hedges are used as screening, trimming, or pruning shall be employed as necessary to maintain the maximum allowed height.
- F. **Permit.** Property owner(s) shall apply for a permit with the City prior to installation.
- G. **City Indemnification.** Prior to the installation of security fencing, the fence owner shall obtain a permit and execute an agreement to defend, hold harmless, and indemnify the City against all claims related to the fencing.

SECTION 2. This ordinance shall become effective and in full force and effect at 12:01 a.m. on the thirty-first day after its final passage.
