PREFACE

This Code constitutes a codification of the general and permanent ordinances of the Town of Troutman, North Carolina.

Source materials used in the preparation of the Code were the ordinances subsequently adopted by the board of aldermen. The source of each section is included in the history note appearing in parentheses at the end thereof. The absence of such a note indicates that the section is new and was adopted for the first time with the adoption of the Code. By use of the comparative tables appearing in the back of this Code, the reader can locate any section of the ordinances included herein.

The chapters of the Code have been conveniently arranged in alphabetical order, and the various sections within each chapter have been provided catchlines to facilitate usage. Notes which tie related sections of the Code together and which refer to relevant state law have been included. A table listing the state law citations and setting forth their location within the Code is included at the back of this Code.
