Policy Statement

Background Information

In June 2025, the City of Tulsa updated the juvenile curfew ordinance to add curfew regulations specific to downtown. The current downtown curfew contained a sunset clause of October 22, 2025. The proposed amendment seeks to extend and modify the downtown curfew provision. The new proposed downtown curfew applies on Friday and Saturday nights beginning at 9 pm, requires quarterly reports regarding impact and effectiveness, and provides for a sunset date of October 22, 2026.

The downtown curfew is in line with business support and best practices from other agencies across the country and would help ensure Tulsa Police Officers are able to limit the potential danger to youth caused by large gatherings in downtown, especially crowds formed as a result of individuals leaving downtown venues and bars later in the evening.
