Subject: Request to Adopt a revision to Section
111-257 of the Cumming Utilities
Ordinance

The Department of Utilities would like to request that the Mayor and Council adopt the following change to our Cumming Utilities Ordinance:

SECTION 111-257. Stormwater Design Specifications.

(a) ***Georgia Stormwater Design Manual:*** The City of Cumming will utilize the policy, criteria and information including technical specifications and standards in the latest edition of the *Georgia Stormwater Management Manual*, for the proper implementation of the requirements of this division. Said manual may be updated and expanded periodically, based on improvements in science, engineering, monitoring and local maintenance experience.

(b) ***Additions and repairs to the Cumming storm Sewer system shall comply with the latest version of the City of Cumming Department of Utilities Stormwater System Technical Standards Manual.***
