Sec. 18-125. Complaint in rem in municipal court; procedure; lien; appeal.

officer shall file a complaint in rem in the municipal court of the city against the lot, tract, or parcel of real property on which such dwelling, building, or structure is situated or where such public health hazard or general nuisance exists and shall cause summons and a copy of the complaint to be served on the interested parties in such dwelling, building, or structure. The complaint shall identify the subject real property by appropriate street address and official tax map reference; identify the interested parties; state with particularity the factual basis for the action; and contain a statement of the action sought by the public officer to abate the alleged nuisance. The summons shall notify the interested parties that a hearing will be held before the municipal court at a date and time certain and at a place within the county or municipality where the property is located. Such hearing shall be held not less than 15 days nor more than 45 days after the filing of said complaint in the proper court. The interested parties shall have the right to file an answer to the complaint and to appear in person or by attorney and offer testimony at the time and place fixed for hearing.

- (c) If, after such notice and hearing, the court determines that the dwelling, building, or structure in question is unfit for human habitation or is unfit for its current commercial, industrial, or business use and not in compliance with applicable codes; is vacant and being used in connection with the commission of drug crimes; or constitutes an endangerment to the public health or safety as a result of unsanitary or unsafe conditions, the court shall state, in writing, findings of fact in support of such determination and shall issue and cause to be served upon the interested parties that have answered the complaint or appeared at the hearing an order:
- (1) If the repair, alteration, or improvement of the said dwelling, building, or structure can be made at a reasonable cost in relation to the present value of the dwelling, building, or structure, requiring the owner, within the time specified in the order, to repair, alter, or improve such dwelling, building, or structure so as to bring it into full compliance with the applicable codes relevant to the cited violation; and, if applicable, to secure by closing the structure so that it cannot be used in connection with the commission of drug crimes; or
 - (2) If the repair, alteration, or improvement of the said dwelling, building, or structure in order to bring it into full compliance with applicable codes relevant to the cited violations cannot be made at a reasonable cost in relation to the present value of the dwelling, building, or structure, requiring the owner, within the time specified in the order, to demolish and remove such dwelling, building, or structure and all debris from the property.

For purposes of this section, the court shall make its determination of reasonable cost in relation to the present value of the dwelling, building, or structure without consideration of the value of the land on which the structure is situated; provided, however, that costs of the preparation necessary to repair, alter, or improve a structure may be considered; and, provided further, that if the unsatisfactory condition is limited solely to the presence of graffiti, the dwelling, building or structure shall not be ordered demolished or closed, but its owner may be ordered to repair the same by cleaning or removal of the graffiti. Income and financial status of the owner shall not be a factor in the court's determination. The present value of the structure and the costs of repair, alteration, or improvement may be established by affidavits of real estate appraisers with a Georgia appraiser classification as provided in O.C.G.A. title 43, chapter 39A, qualified building contractors, or qualified building inspectors without actual testimony presented. Costs of repair, alteration, or improvement of the structure shall be the cost necessary to bring the structure into compliance with the applicable codes relevant to the cited violations in force in the jurisdiction.

- (d) If the owner fails to comply with an order to repair or demolish the dwelling, building, or structure, the public officer shall cause such dwelling, building, or structure to be repaired, altered, or improved, or to be vacated and closed, or demolished within 270 days of the expiration of time specified in the order for abatement by the owner. Any time during which such action is prohibited by a court order issued pursuant to subsection (c) of this section or any equitable relief granted by a court of competent jurisdiction shall not be counted toward the 270 days in which such abatement action shall commence. The public officer shall cause to be posted on the main entrance of the building, dwelling, or structure a placard with the following words:

"This building is unfit for human habitation or commercial, industrial, or business use and does not comply with the applicable codes or has been ordered secured to prevent its use in connection with drug crimes or constitutes an endangerment to public health or safety as a result of unsanitary or unsafe conditions. The use or occupation of this building is prohibited and unlawful."

- (e) If the public officer has the structure demolished, reasonable effort shall be made to salvage reusable materials for credit against the cost of demolition. The proceeds of any moneys received from the sale of salvaged materials shall be used or applied against the cost of the demolition and removal of the structure, and proper records shall be kept showing application of sales proceeds. Any such sale of salvaged materials may be made without the necessity of public advertisement and bid. The public officer and governing authority are relieved of any and all liability resulting from or occasioned by the sale of any such salvaged materials, including, without limitation, defects in such salvaged materials.
- (f) The amount of the cost of demolition, including all court costs, appraisal fees, administrative costs incurred by the tax commissioner, and all other costs necessarily associated with the abatement action, including restoration to grade of the real property after demolition, shall be a lien against the real property upon which such cost was incurred.
- (g) The lien provided for in subsection (e) shall attach to the real property upon the filing of a certified copy of the order requiring repair, closure, or demolition in the office of the City of Manchester and shall relate back to the date of the filing of the lis pendens notice required under subsection (a). The clerk of superior court shall record and index such certified copy of the order in the deed records of the county and enter the lien on the general execution docket. The lien shall be superior to all other liens on the property, except liens for taxes to which the lien shall be inferior and shall continue in force until paid. After filing a certified copy of the order with the municipal court, the public officer shall, within 90 days of the completion of repairs, demolition or closure, forward a copy of the order and a final statement of costs to the county tax commissioner.
- (h) It shall be the duty of the county tax commissioner to collect the amount of the lien in conjunction with the collection of ad valorem taxes on the property and to collect the amount of the lien as if it were a real property ad valorem tax, using all methods available for collecting real property ad valorem taxes, including specifically O.C.G.A. § 48-4-5; provided, however, that the limitation of O.C.G.A. § 48-4-78 which requires 12 months of delinquency before commencing a tax foreclosure shall not apply; provided, further, that redemption of property from the lien may be made in accordance with the provisions of O.C.G.A. §§ 48-4-80 and 48-4-81. The tax commissioner may initiate enforcement of liens imposed under this section at any time following receipt of the final determination of costs from the public officer. The unpaid lien amount shall bear interest and penalties from and after the date of final determination of costs in the same amount as applicable to interest and penalties on unpaid real property ad valorem taxes.
- (i) The tax commissioner shall remit the amount collected to the governing authority of the municipality whose ordinance is being enforced. The tax commissioner may retain an amount equal to the cost of administering collection of the lien. Any such amount collected and retained for administration shall be deposited in the general fund of the county to pay the cost of administering the lien.
- (j) The governing authority may waive and release any such lien imposed on property upon the owner of such property entering into a contract with the municipality agreeing to a timetable for rehabilitation of the real property or the dwelling, building, or structure on the property and demonstrating the financial means to accomplish such rehabilitation.
- (k) Review of a court order requiring the repair, alteration, improvement, or demolition of a dwelling, building, or structure shall be by direct appeal to the superior court under O.C.G.A. § 5-3-29.

(Ord. of 08.-14-23)

Sec. 18-126. Service of complaints or orders upon owners and parties in interest.

-
- (a) Summons and copies of the complaint shall be served in the following manner:
- (1) In all cases, a copy of the complaint and summons shall be conspicuously posted on the subject dwelling, building, structure, or property within three business days of filing of the complaint and at least 14 days prior to the date of the hearing.
 - (2) At least 14 days prior to the date of the hearing, the public officer shall mail copies of the complaint and summons by certified mail or statutory overnight delivery, return receipt requested, to all interested parties whose identities and addresses are readily ascertainable. Copies of the complaint and summons shall also be mailed by first-class mail to the property address to the attention of the occupants, if any;
 - (3) For interested parties whose mailing address is unknown, a notice stating the date, time, and place of the hearing shall be published in the newspaper in which the sheriff's advertisements appear in such county once a week for two consecutive weeks prior to the hearing; and
 - (4) A notice of lis pendens shall be filed in the office of the clerk of superior court in which the dwelling, building, structure, or property is located at the time of filing the complaint in municipal court.
- (b) The public officer shall cause an affidavit of service to be filed of record in the municipal court prior to the hearing showing compliance with the service requirements of this section. Such affidavit shall constitute a prima facie showing of minimum procedural due process and shall constitute sufficient proof that service was perfected.
- (c) Orders and other filings made subsequent to service of the initial complaint shall be served in the manner provided in this section on every interested party who answers the complaint or appears at the hearing. Any interested party who fails to answer or appear at the hearing shall be deemed to have waived all further notice in the proceedings.
