The City of Salem ordains as follows:

Section 2. Findings. The Salem Municipal Airport is geographically located in the center of Oregon’s Willamette Valley and serves as a transportation hub for commercial, military, emergency response, and general aviation services for not only the Salem metropolitan area but the greater Willamette Valley. The establishment of commercial passenger air service at Salem Municipal Airport in October 2023 reflects the demands of a larger, more regional passenger market. The renaming of the airport would reflect the greater regional air service provided to the Willamette Valley. These amendments are administrative in nature, for which no public notice or public hearing are required under ORS chapter 227. The amendment to the Salem Revised Code is in the best interest of the public.

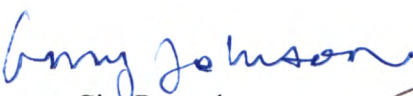

- (a) Renumber sections and parts of sections of the ordinance;
- (b) Rearrange sections;
- (c) Change reference numbers to agree with renumbered chapters, sections or other parts;
- (d) Delete references to repealed sections;
- (e) Substitute the proper subsection, section or chapter, or other division numbers;
- (f) Change capitalization and spelling for the purpose of uniformity;
- (g) Add headings for purposes of grouping like sections together for ease of reference; and
- (h) Correct manifest clerical, grammatical or typographical errors.
